

ORINDA SUN

Vol. XIX, No. 24

Friday, July 14, 1961

CL 4-4343

Lafayette-Orinda

Ten Cents

AN ADVENTURESOME 12 day trip in the Hamilton Lake area of Sequoia National Park came to end Tuesday when these scouts and their leaders returned to Orinda. Members of Troop 237, they are, left to right front row, Bob Skilling, Dave Frey, Pat Stillson, Bob Schneider; second row, Jeff Williams, Don Mauser, Tom Gling; back row, Jeff Kingston, Paul Myer, Rich Stevenson, Tom Kling, Don Mauser Sr., Dave Frey Sr. and Walter Frey.

Lower Tax Rate Possible; Board Studies Outcome

"The people of Orinda may be assured that the school district trustees will not spend one penny more than absolutely essential and included in the original 1961-62 budget," said J. Gordon Ainsworth, chairman of the district board.

Ainsworth made the statement after last week's state legislative action on the Collier Bill, which made available approximately \$16,000 for the Orinda Union School District.

CALLING THE sum a "bonus for the people of Orinda any way you look at it," Ainsworth said a decision on the disposition of the money will not be made until all factors pertaining to budget are settled and established.

The trustees discussed two alternatives for the \$16,000 at the board meeting held Monday night at Pine Grove School, however, no action was taken.

Posing the problem thusly, Ainsworth said, "It is a question of lessening the tax rate this year or maintaining ability to hold the tax rate next year. Either way, the money will be a big help to the district."

The trustees are pondering these alternatives. One would be the elimination of the \$16,000 from this year's budget. This would lower the estimated 1961-62 operating tax of \$2.51 by 4.7 cents.

THE OTHER alternative would be to keep the \$16,000 in undistributed reserve. This would leave the estimated operating tax at \$2.51. However, the trustees explained, it might mean that next year this cash reserve would enable the board to hold the tax rate steady.

Without the reserve, the increase in budget next year due to normal growth, hiring more teachers to meet the classroom loads and things of this nature, budget is officially adopted.

Park Pool Swim Team Wins Dual Meet With LYA

Members of the Orinda Park Pool Swim Team emerged victorious last Friday from a meet with the Lafayette Youth Association at the Acalanes High School pool.

Orinda took first place in three girls' medley relays and the 11 and 12-year-old boys' medley relay. They also won the Chinese freestyle relay for seven and eight-year-olds, and three boys' freestyle relays that included ages nine through 14.

Individual first place winners are: Scott Saunders, six years and under boys' freestyle; Betsy Moore, 7-8 yr. group girls' freestyle; Buddy Worth, 9-10 yr. group boys' freestyle; Carolyn Johnson, 11-12 yr. group girls' freestyle; John Kirby, 11-12 yr. group boys' freestyle; Helen Johnson, 13-14 yr. group girls' freestyle and Bill Cooper, 13-14 yr. group boys' freestyle.

Backstroke first place winners are: Colette Kersten, 9-10 yr. group; Don Dunshee, 15-16 yr. group; Don Navone, 15-16 yr. group. Breast stroke winners are Buddy Worth, Carolyn Johnson, Kent Williams, Julie Hickcox and Steve Brush.

Butterfly stroke winners are Betsy Moore, girls under six; Dick Bray, 7-8 yr. boys; Debbie Saunders, 7-8 yr. girls; Colette Kersten, 9-10 yr. girls; John Kirby, 11-12 yr. boys and Bill Cooper, 13-14 yr. boys.

A public hearing on budget will be held before the district trustees on August 7 before the budget is officially adopted.

PUC OK's Commute Bus Stops

School Tax Trend Varies; Some Go Up, Others Down

Here are estimates of the school tax rates for the coming year in the various Central Contra Costa County school districts.

In Orinda the over-all tax rate for 1960-61 was \$2.37 per \$100 assessed valuation of property. The estimated tax rate in light of the reassessment is \$2.51.

HOWEVER, this 14-cent increase may be whittled to a 9-cent increase after further modifications and finalizing by the county.

In the Lafayette district, last year's rate was \$2.909. This year the estimated cost is \$2.859, which means a hoped-for 5-cent reduction.

Sig Hansen, business manager for the district, said this figure is subject to such variables as the state loan cost to the district, which comes in August.

He figures, however, the final rate will be approximately the figure quoted above.

ALL DISTRICTS are in this quandary of being nebulous about their tax rates, as both the county and the state have their respective "says" with the budgets also. And this action is yet to come.

In Moraga, the tax rate was \$2.03 last year. The estimated rate for 1961-62 is now \$1.928 or a 10-cent decrease in school tax.

Again, property values have gone up in this area, which means the total tax bill will probably be the same although the school tax will probably be less.

THE ACALANES High School

New Jobs in County to Cost Half Million

New county positions authorized for 1961-62 by the board of supervisors total 84, and the additional salaries will total \$480,000 each year.

All new positions will become effective September 1, except for the 12 additional library department jobs which will be filled this summer, according to county administrator J. P. McBrien.

The biggest single staff increase will be 13 new jobs at the county hospital. This will include a clinical psychologist.

The social service department and the office of county auditor-controller Howard E. McNamer will each get 11 new positions.

McNamer said printed copies of Contra Costa's \$41,166,723 preliminary budget will be distributed by August 1 in time for a final budget hearing August 11.

McBrien estimates the total rate will increase seven cents, from \$2.327 per \$100 assessed value to \$2.397.

Other departments for which new positions were tentatively approved are tax collector's office, 1; assessor, 1; building maintenance, 6; sheriff's office, 9; probation department, 5; building inspector's office, 4; health department, 2.

Last Man to See Riskin Alive Talks

The person who last saw Gerald Riskin, 28, alive before he allegedly shot himself to death in a jewelry store at 1111 Broadway has been identified as Edwin C. Wehe, 47, a family friend.

Young Riskin, who lived at 92 Davis Road, was found lying on the floor of a back room in the family jewelry store a week ago Wednesday. Police are looking for the man seen to go into the store with him that morning believing he might shed some light on Riskin's mental condition.

Wehe, who lives in a hotel at 1020 Broadway, Oakland, came forward Monday after learning police wanted to talk to him. Wehe told Police Inspector Ralph Wetherbee that Riskin appeared nervous and was holding his stomach as if in pain.

Wehe said he suggested Riskin call his father and go home. Riskin, according to Wehe, said he might do that.

Wehe said he went into the store with Riskin when Riskin opened for business that morning, bought a wristband for his watch, talked to the jeweler and then left.

G. D. Young's Daughter Becomes Nurse

Velma (Young) Hancock will graduate from the Kaiser Foundation School of Nursing in Oakland, today. She is the daughter of Mr. and Mrs. George D. Young, Jr. of 55 Brookside Road, Orinda.

Orinda Is First With Others To Be Scheduled

Construction of the proposed Orinda east-bound freeway bus stop may begin early next year, as the result of a State Public Utilities Commission report issued this week.

Furthermore, the way has been cleared for construction of freeway commuter bus stops at the following locations:

Happy Valley Road, Brown Avenue, Pleasant Hill Road, El Cortado Boulevard, Ygnacio Valley Road, Walden Road and Oak Park Boulevard.

These stops, however, will not be constructed until the State Division of Highways establish a need as determined by the numbers of individuals riding the buses who would use these locations.

The report reviewed its own staff recommendations for location of freeway bus stops on Sign Route 24 in the county, also the opinions offered by Division of Highways officials and area residents.

Hearings had been held last year and earlier this year.

THE DIVISION of Highways, Greyhound Corporation and other parties during the hearings agreed that the new bus stop for east-bound traffic should be built now.

The PUC report said, "During the evening commute period, more than 250 passengers get off Greyhound buses at Orinda."

It added that Greyhound officials say the bus stop is feasible, and would remove buses from congested business areas of Orinda.

IT ADDED, "The Orinda Chamber of Commerce urged that only those facilities upon which agreement had been reached be included with the Orinda-Eastbound facility since inclusion of facilities not agreed upon by all parties might unnecessarily delay the Orinda facility."

ALSO SLATED for immediate action are two secondary projects, sidewalks for the existing freeway stops at Acalanes Road and Pleasant Hill Road.

The PUC report generally supports the concept that in future years, "public convenience and necessity" will require the construction of the additional freeway bus stops.

BUT IT says, "The installation of adequate shelters at bus stops on the freeway between Orinda and Concord are problems that best can be solved by the county and local communities concerned."

It also orders that within 60 days of completion of freeway bus stop facilities, the Greyhound Corporation, Western Greyhound Lines Division, shall adopt and put into operation revised bus services, using the new facilities.

The Orinda stop recommendation will go to the State Highway Commission for allocation of funds in the 1962-63 budget.

During the original hearings, a proposal to build a facility at Walnut Avenue was considered unacceptable by the division of highways, which then suggested alternatives at Hillside and Ygnacio Valley Road, in the Walnut Creek area.

DIVISION men also considered the existence of the downtown Walnut Creek bus station as making immediate construction at Hillside or Ygnacio Valley unnecessary.

And property owners in the vicinity of Ygnacio Valley Road objected.

But the division will again consider the Ygnacio Valley Road location, when and if a full diamond interchange is constructed there, the PUC report indicates.

The division of highways was

also agreeable to a facility for Walden Road, north of Walnut Creek, similar to the Acalanes Road bus stop, costing \$40,000.

BUT WALNUT Creek officials, as is the case with the Ygnacio Valley Road stop, were concerned about off-street parking, and the fact that state gas tax funds are not spent by the state for this purpose.

The PUC report praised the county officials, Walnut Creek officials, the County Commuters' Association and Orinda Chamber of Commerce, Greyhound and division of highways.

Trustees Approve Building Contract

Orinda Union School District's board of trustees Monday approved the contract of Kirkham, Chaon & Kirkham for the construction of the new administration building.

The board also directed the contractors to prepare for air conditioning, although the type, kind and time of such installation was not decided.

Marvin Taylor of Concord was appointed by the board to serve as inspector for the administration building.

IN OTHER business the board authorized construction of a sidewalk from Totterdell Court to Inland Valley School; heard a report by Don Mahler on the testing profile and use of same in Orinda schools; appointed a part-time home arts teacher.

On the recommendation of Joseph Sheaff, district superintendent, the board agreed not to accept children from personnel stationed at the Nike site into the Orinda district.

Sheaff pointed out that the children are actually in the Sheldon school district and would have to travel just as far to get to Del Rey School as they would to school in Sheldon.

THE BOARD also approved purchase of two school buses, subject to a review of the bids submitted to the Acalanes Union High School District.

Plans were discussed for the construction of four additional classrooms at Inland Valley School and for a multi-purpose room at Del Rey.

The board discussed the effect of the new assessed valuation on the school budget, but action was delayed until further study could be made. (See separate story on tax rate.)

An amendment to the resolution prohibiting go-carts and motorcycles on school property was proposed and adopted by the board. The amendment stipulates that all motor-driven objects are prohibited on school property.

Board action on this matter was taken due to complaints of residents near school property objecting to the whine of model airplanes.

Commissioners Elect Officers

Officers elected at a recent meeting of the Orinda Fire District commissioners are C. W. Langridge, president; Zachary Montgomery, vice president; and Clarence Betz, secretary.

Teenagers! Time Running Out on Free Class Ads

Teen-agers... have you taken advantage of The Sun's free wanted classified ads yet?

Hundreds of teen-agers already have, but if you haven't, you'd better get on the ball!

Because the final day for placing these special, free ads for teen-agers will be August 4 at 5 p.m.

THESE ADS will run for two weeks, and will make their final appearance August 18.

In case you are not aware of the program, here is how it works:

Any teen-ager may come into a Sun office at 1320 Locust Street, Walnut Creek, or 1001 Oak Hill

Road, Lafayette, in person and place one free work wanted ad.

Ads must be placed by Friday at 3 p.m. for insertion in the following edition of The Walnut Creek Sun, Lafayette Sun, Orinda Sun, Pleasant Hill Sun and Sun Shopping News.

EACH AD will run for two weeks.

Only one series of ads will be accepted from any youngster and ads cannot be changed during their insertion time.

The ads must contain the youngster's name and telephone number as well as the kind of work he or she is seeking.

Scores Close as Season Begins Second Half Play

Scores for games played in all leagues of the Orinda boys' baseball program during the first 10 days of July are as follows:

PEANUT LEAGUE	
Division I	
Rams 7, Wildcats 4	
Bruins 4, Jaguars 0	
Badgers 7, Huskies 1	
Wildcats 7, Huskies 0	
Broncos 9, Bruins 10	
Badgers 7, Jaguars 3	
Rams 10, Lions 5	
Division	
Hawks 16, Jets 4	
Eagles 10, Bombers 7	

MINOR LEAGUE	
Division I	
Seals 11, Bees 8	
Solons 14, Mounties 1	
Rainiers 6, Oaks 1	
Bees 4, Mounties 3	
Beavers 25, Oaks 1	
Solons 3, Padres 2	
Padres 14, Mounties 4	
Division II	
Missions 4, Monarchs 1	
Colonels 4, Royals 3	
Pelicans 10, Beers 4	
Blues 20, Maple Leaves 3	
Beers 6, Missions 5	
Colonels 10, Pelicans 4	
Blues 4, Monarchs 2	
MAJOR LEAGUE	
Indians 13, Red Sox 4	
Yankees 7, Braves 1	
Cardinals 6, Tigers 6	
Giants 7, Pirates 0 (forfeit)	
Red Sox 10, Cardinals 2	
Giants 15, Braves 2	
Tigers 21, Yankees 7	
Pirates 5, Indians 4	

Where's the Fire?

The Orinda Fire Department responded to the following calls during the past week:

THURSDAY—10:10 a.m., bonfire, Honeyhill Court; 2:25 p.m., mutual aid, Moraga Fire Department; 10:25 p.m., rescue call from California Highway Patrol at Grizzly Peak and Skyline Boulevard; 9 p.m., grass fire, La Espiral.

FRIDAY—1:35 p.m., grass fire, Crestview Court; 8:10 p.m., car fire in front of Station No. 1.

SATURDAY—8:34 a.m., injured animal on Monte Vista; 9:40 a.m., investigation, Sleepy Hollow Lane.

SUNDAY—4:25 p.m., car fire, Camino Pablo; 8:03 p.m., illegal burning, El Toyonal.

MONDAY—2:30 a.m., grass fire, Loma Vista; 7:55 a.m., bonfire, 927 Glorietta Boulevard; 11:20 a.m., broken water line, El Toyonal; 2:55 p.m., boys with fireworks, Southwest Court; 5 p.m., mutual aid, Moraga Fire Department; 6:45 p.m., rescuator call, patient brought to Station No. 2.

Hot Days Wilt Orindans, But Nights Are Cool

Three days during the past week the mercury rose to more than 100 degrees, however nights were generally cool with the highest nighttime temperature 54 degrees.

Here are the temperatures:

	High	Low
July 7	81	41
July 7	89	44
July 8	96	48
July 9	103	54
July 10	105	56
July 11	104	56
July 12	84	52

Why Risk A Child's Life? Let Him Learn To Swim!

"Swimming is a lot more than fun and exercise, the ability to swim is also a form of life insurance, particularly in Orinda where so many residents have their own pools," said Bob Sherman, swim instructor for the Miramonte swim program.

Sherman said that openings are available in all classes from non-swimmers to advanced in the third session which starts at Miramonte Tuesday.

CLASSES are limited to 10 students per class to insure safety and maximum instruction. Students must be 44 inches or more tall for the regular classes.

Tiny tots, or shorter children may enroll in the "Teach Your Own Child to Swim" class. In this class, Sherman explained, the parent accompanies the child into the water. The instructor then teaches the parent how to teach his child. Classes are held during the morning hours.

Non-swimmers of all ages will be taught mouth breathing, breath holding, rhythmic breathing, jellyfish float, prone float, release of cramp in group one. Group two non-swimmers will learn the back float, back glide, back kick glide and how to turn over.

GROUP THREE non-swimmers will learn finning, human stroke, reaching assists with extension, flutter kick and human stroke. Group four progresses to human stroke (complete) changing directions, reaching rescues, leveling off-prone position and supine position.

Finally group five will learn to jump into shallow and deep water, dive into deep water and swim some style for 15 yards.

Classes for those who can swim, or who have completed the five groups for non-swimmers may then advance to advanced beginner, intermediate, swimmer course and then on to junior and senior life saving.

For those who have passed life saving there is an advanced swimming course.

Diving classes are also available at Miramonte, with classes geared to both the inexperienced and those who can do some dives.

POOL ADMISSION fee, good for the entire session, is \$2.50. Diving lessons are \$5 per session. There is no charge for the life saving course.

Registrations will be taken by Sherman at the pool any morning this week for the session starting Tuesday, or students may register prior to class Tuesday morning.

IT'S GOOD fun to learn to swim, and a safety measure too. Bob Sherman, swim program director at Miramonte Pool, says openings are available in all classes from the "Teach Your Child to Swim" class for toddlers, through Life Saving and advanced classes. Classes are held during the morning hours Tuesdays through Saturdays. A new session begins Tuesday and children may register at the pool.

Sun photo by Jere Hageman.

Suburbia Scribblings

By MARIE MONAHAN

Like a Summer with a Thousand Julys . . . The Tuesday night sunset bedding itself down in brilliant splendor over San Pablo Bay . . . The disturbing dull drone of the dam dynamo spoiling the serene evening, like a dripping faucet that you can't turn off!

THE HEAT'S ON . . . & if you couldn't sleep & were up rumaging around the wee hours of the morning, you had plenty of company.

Like one Orinda matron who tripped around the pool in her nightgown looking like Ceres & feeding the family spa its nightcap of chlorine . . . like Marcia Zaccharias up at 3 a.m. to make a glass of iced tea . . . & like Kay Tool trying to find son Steve's net baby alligator which was still on the loose at that hour . . . like Madeline Benjamin, after a hard night at the circus w/nine children, being the good sport & sleeping outside w/her boys & ending up w/NO sleep at all!

SUMMER SIGHTS: The male set going all out for shorts & one hot night in Lucky's, a sartorial parade of splendid shorts all done up to the teeth in their bermudas, jamaicas, etc., looking MORE suburbia than their distaff partners.

A LINE-UP at Loard's three deep at the counter because of baseball & the humid temperature . . .

Teacher Don Jesse w/the first fresh fuzz of a beard on his chin & cheeks, dashing into Loard's . . . The beard goes the better w/the bard's summer teaching of drama & German . . . Which reminds us, both Peg Rathert & Boris Arnov move on to Acalanes faculty in the fall.

Cool & pink as a strawberry parfait, pretty Candy Bray in a mint-pink popover dress w/tiny straps & an applique of lollipops . . . A smart red-checked cotton top on Terry Gardiner, who waxed lyrical about her tour of European art museums . . . She & Ollie expect their own "original" in September.

HEAVY, HEAVY Hang Over Thy Head: Gertrude Worth's rakish straw fitted w/a pocket to hold her ciggies . . . A red-crested rooster crowding from atop Virginia Block's happy hat . . . Dot Cranborn's hat smartly trimmed w/mauve grosgrain to match her people suit.

MORE POOPLE PEOPLE . . . This is Jean Bottjer's Deep Purple Phase because for Mom's Day, one son gave her a purple towel, another bought her a purple hat, another a bag & husband Dick started it all w/a purple bathing suit.

UNDERCOVER GIRL: Stella Epperson of the soignée hairdos, into the Post Office wearing a pouff pink net NOT concealing her headful of curls.

Look-Alikes: Cynthia Stampely & Jackie Kennedy . . . Lynn Loshbaugh carrying her new son, now six-mos. old, a perfect miniature of his Daddy George.

Ann Cunningham likes to be comfortable so her sling-back chair is standard equipment . . . She has it at the pool all day, at the baseball game all evening . . .

NICE WORK if you can get it & he did; Charles "Chuck" Currier we mean, who'll be the new manager of The Disneyland Hotel . . . & Gung Ho for Bob Hart, who'll safari in Tanganyika early fall w/the Ellsworth LaBoyteauxes . . . Bob & Ginnie Hart's dining room is covered w/Bob's gun collection, but he still has to buy a new gun, one just right for the Frank Buck foray . . . Ginnie, by the way, is back a month from Europe where she did a fast tour by car w/her sister.

LEAVING July 29 for some global gallivanting are the Fred Twinings en famille. Their first stop London where they'll be the first Orinda visitors for Jennie & Vernon Lorch, who moved there on a Kaiser transfer just recently. From London, Copenhagen, Paris & then a motoring trip through Germany, Switzerland & Austria in time to catch the Salzburg Festival, lucky people!

You Intoxicate My Soul

When Peg & Bob Field checked into their Hawaiian Village suite, conductor-composer David Rose was just packing out of it! They saw Governor Brown, Bob Cummings, too, said he looked just as good as on TV but did his famous pill-taking in private!

The Beau Guinther's now living in Colfax, had dotter Nancy down for a viz w/Roni Ransmussen, who took her houseguest to Carmel. Aside to Roni: Don't ever cut that beautiful long hair, doll—Some crowning glory!

Jennie Lo Miller at the pool w/her stepping-stone children, expects her 4th in September . . . Elizabeth Gould now has five boys, three girls since the arrival of little Katherine!

The Jerry Pixleys helped Pan-American Steel partner Jim Dupuis christen his new sailing sloop w/a smooth ride through the fog banks & the seals from Sausalito to Oakland . . . Gertrude Cook got compliments from Roger when she christened the camping equipment this year for the first time at Big Basin & even managed to bake a cake on the skillet . . . Roger's from a long line of campers, the Cook family doing Big Basin annually for twenty years plus w/the Courtney Clan.

CASUALTY CORNER: Bill Lancioni on a hunting trip in Nevada w/his uncle, accidentally put a shot through his foot. End of hunting & home w/a cast!

For months, young Don Flenner & David Gregorsen had planned their summer vacation of ranchwork at Fort Bidwell in NE Calif. . . but a temperamental tractor took off over David, broke his shoulder, put him in the hospital & now the rugged ranch summer is just a memory! Mike Roth fell out of a tree & broke his rib . . . & Jane Rose's red eye is the result of standing over a smokey camp stove!

The Very Mention of You

THE HARRY KROLLS are touring the Orient leaving their house & young people in the loving care of Gigi Blessing! (What a blessing!)

OVER in Marin's Inverness, the Bill Brooks & their brood 'til August . . . The Dentist Gene Garbarinos & their children busy refurbishing the old Inverness Hotel which w/8 bedrooms should hold their growing family for awhile!

DOMESTIC NOTES: Penny Kermit embroidering on linen her own abstract design for a wall hanging . . . Someone, we wish we knew WHO, TATTLING! Say, does anyone crochet anymore & how's YOUR Aunt Macassar? Wishy Sage counting her knit one, purl two on a bulgy beige knit sweater she works on poolside.

INTELLIGENTSIA: Pat Fearey picking up her copies of Atlantic Monthly & Harper's mag at Village Pharm . . . Adele Dupuis & her son buying rabbit food at the pet shop . . . Anyone for bunnies? She's got 'em!

Cornelia Adams telling that she & Dan & dgthr. Lisa had just come from getting their polio shots. "We went as a family—y'know, REAL Togetherness!"

While camping at Lake Berryessa w/the Bill Lincoln family, Andy & Peggy O'Brien's famous twin sons collected a gallon jar full of little frogs. One of the twins told Andy, "Daddy, the frogs are lost!" . . . When Andy inquired when & how, it seems the lid had come off & they were jumping all over the inside of the family station wagon. Andy chased them all out of the car (can't you just see him playing "leap frog!") & that night when the twins were bedded down in the back of the car, one just COULDN'T get to sleep "I think there's a spider in the corner," said our boy!

GENE SCHUMAN, who shares RAMS coaching duties w/Steve Tool, just returned from Florida & kept his promise to the boys, bringing back a baby alligator. He delivered it to the Tool's Sleepy Hollow home when Kay was entertaining some of her friends for lunch & bridge & oh, my, you could hear the screams & squeals all the way to the Crossroads! You couldn't even get a half of an alligator belt out of it at the moment but it COULD grow to SEVENTEEN feet!

BACKWARD GLANCES: Jane Martin & her new darling daughter Elizabeth viewing the baseball game from their Volkswagen . . . Chip & Betsy Parks carting both their supper & their new "Libby" in baskets down to the pool for a picnic dinner . . . Jane Netland & her 4-mos. old Elizabeth making Happy Talk!

Debbie Saunders loaded down w/sleeping bag, etc. . . "Swim meet, Debbie?" "Nope! Slumber party!" OH!

PILOTS CORNER at the pool & Barbara Graber, Rita Durham & Barbara Lincoln all over MY head w/their aeronautics gab & studies!

If your boy reads Boy's Life, then you know where old Volkswagens go, of course—to the Old Volks Home. Goodbye!

PREPARING for six months' study in West Germany, Karen Olson, 16, is pictured with some of the books she is reading to brush up on German language, American politics and labor. Karen will leave August 23 under the American Field Service program. She is the daughter of Mr. and Mrs. H. T. Olson of 60 Dolores Way and recently completed her junior year at Miramonte. Sun photo by Lee Taylor.

Orinda Miss Will Study in Ahlen, West Germany

Attractive Karen Olson who completed her junior year at Acalanes in June, will leave August 23 for West Germany under the American Field Service program.

The 16-year-old girl, daughter of Mr. and Mrs. H. T. Olson of 60 Dolores Way, was chosen by the New York office of the American Field Service on the basis of scholarship, personality and character after numerous written applications and personal interviews.

Karen's German "family" with whom she will live and study for about five months lives in a small rural town called Ahlen.

"MY FAMILY has three children, two girls and a boy, and their interests are similar to mine, attending symphonies, theatre, playing tennis, riding horses and taking walks in the country," Karen said.

Karen will attend school with Gabriel Stratling, the youngest daughter of her German family. The girls will attend Catholic Gymnasium, 40 miles from Ahlen.

"I've always wanted to see how people in other countries live and wanted to broaden my horizons by seeing world problems from a different stand while not tied down by the American view."

Jaycees Hear Discussion on Reassessment

A. W. Glendinning, principal appraiser of the C. L. Dunklee Co., was the guest speaker at the June 27 business meeting of the Orinda Junior Chamber of Commerce.

His subject was the recently completed reassessment of Contra Costa property. Glendinning indicated that the assessed value is 27 per cent of the market value and that the tax rate is 9.921 dollars per 100 dollars of assessed value. Property is appraised based on replacement cost and comparative sales value, Glendinning said.

Income is included in the case of business property, Glendinning indicated, adding that the high taxes in Orinda are partially the result of lack of industry. Of each tax dollar, 75 cents is used in the area collected; the other 25 cents is used for county government, he said.

Anyone desiring information concerning his assessment should contact E. F. Wanaka before July 17. His telephone number is ACademy 8-3000, extension 281 or 271.

Gary Rose Loses Tennis Match

Top-seeded Gary Rose of Orinda was upset in the Kiwanis National Parks junior tennis championships recently in San Francisco in Golden Gate Park. He was defeated by Doug Sykes of Los Angeles 6-3, 6-3.

TYPICALLY posed in the 19th century manner are the Clarence Day family, whose adventures will entertain audiences this weekend and next at the Lafayette Town Hall when the Dramateurs present "Life With Father." In real life, the actors are from left (front), Donald Morris, Katie Kenesy, Jack Holder; back row, Tony Cone, Robert Sullivan and Robert Miller. Sun Photo by Jere Hageman.

Employees Strike At Two Broadway Clothing Stores

Grodin's and Smith's, both men's clothing stores with outlets in Broadway Shopping Center in Walnut Creek, have been struck by some 50 members of the Retail Clerks Local 1179.

Also affected in the walkout is Roger's, a mens' store in Richmond. Other stores of the same firms are affected in Contra Costa County.

PICKET LINES were established late last Friday because "the union felt it was getting nowhere despite protracted negotiations," according to Local 1179 secretary-treasurer Bill Roddick. "A secret ballot vote including all divisions of the local overwhelmingly supported this action," said Roddick.

An employer spokesman said the union rejected an offer which exceeded a recent settlement with the California Association of Employers, which represents about 20 other stores in Contra Costa County, including Macy's and other department stores.

This proposal was for a two-year contract with a 10-cent hourly pay increase this year and 10 cents more in 1962.

The other settlement was for seven and five-cent pay hikes each year.

Only four firms in Broadway Shopping Center have union contracts.

ARNOLD MICHAELS, head of Grodin's Stores, said, "Most of our people are out for \$4 this year and an additional \$4 next February. But the union is seeking parity with Alameda County while we, who are operating in Walnut Creek, are in competition with other stores in Contra Costa County, not Alameda County.

"And the wages we pay are higher than those paid in other stores of a competitive nature in this county. We feel that we have gone overboard in our efforts to work with the employees."

HAROLD SMITH SR. of Smith's agreed with Michaels.

Roddick, of the union, said the union's objective was to "attain parity with wages and commissions paid to similar employees in Oakland and Hayward."

Talks with United Employers, representing management, started in February, he said. Federal conciliator Ralph Williams sat in at a recent meeting.

Calling Sun? Note Change Of Number!

Calling The Sun? If you customarily use the Clifford line, note this change. The Clifford number is now easier than ever to remember and dial, just the prefix and then all four. Clifford 4343 has been changed to CL 4-4444.

Another change will take place one minute after midnight Saturday when all number calling comes to Lafayette. The Atlantic prefix will change from AT to 28.

When calling The Sun, dial 283-4444. AT 4 will change to 284. Easy to remember, the all number system in Lafayette involves exactly the same dial spaces as the letters.

Take Your Time

On your summer trips, always give yourself plenty of time to get there. National Automobile Club warns you that hurrying to get there can get you into the hospital or the morgue.

It Was a 'Quiet' Week for Crime

Deputies had a relatively easy time of it over the weekend as only a few minor burglaries and thefts were reported to the sheriff's Lafayette substation.

Ronald Ford, owner and operator of Castle Rock Park, reported to deputies that six or seven thefts had taken place at the park dressing room last weekend.

Alex Lambgras of 1760 3rd Avenue, Walnut Creek, reported to Ford that his watch, sport shirt, pen and sun glasses were taken. Cecil Spears said his wallet had been removed from his pants.

A TIRE and wheel were taken from the locked trunk of a car owned by Eugene Doering of 3329 N. Lucille Lane, Lafayette, last Saturday night.

He told deputies that it was the second time in six weeks that someone had forced the trunk of his car.

Robert Manke of 3355 Betty

Lane, Lafayette, reported to deputies that his car was broken into while parked at Mt. Diablo Blvd. and Oak Hill Road Friday night.

Six pairs of trousers and six shirts were taken, he said.

A STANDARD service station at 1175 Pleasant Hill Road in Lafayette had 12 air cushions and 24 bug screens taken Sunday night.

Assistant Manager Leo Castillo of Concord told deputies that someone had walked off with the merchandise between 11 p.m. and midnight while George Saunders, the station's night employee, worked in the stockroom.

Value of the missing objects was set at approximately \$80.

REGISTRATIONS

Motor vehicle registrations in the United States totaled 73,895,274 during 1960, reports the National Automobile Club.

Scouts Speaking

Scouts who want to earn their public-speaking merit badge are getting the unofficial help of the Diablo Toastmasters Chapter 598.

Chapter President Keith Hudson said that although the Toastmasters do not officially sponsor any other activity, they are encouraged as individuals by the Toastmasters International to assist in community efforts.

So, a youthful scout is invited as a guest to a Toastmaster meeting, delivers a five-minute talk, and later gives a two-minute impromptu talk.

John Kroninger, member of Troop 219, Lafayette, and a Sun Valley resident, and Tom Shinsault, an explorer and Pleasant Hill resident, both have collected their public speaking merit badges.

And Glen Spencer of Walnut Creek, another explorer post member, will speak at the Toastmasters' meeting July 27.

The Toastmasters meet each Thursday evening at 6:30 at the Nut Bowl, Pleasant Hill.

Any scout in the Mt. Diablo Council who wants to earn his public speaking merit badge should contact Hudson, Hugh Southworth, who is also a counselor for that particular merit badge, or Bert Thysell, educational vice president.

Without milk, to get your adult requirement of calcium alone, you would have to eat besides your usual egg, meat, bread and butter, and cereal, about 30 servings of vegetables and fruits a day.

Death Car Hits Local Motorists

A San Ramon Village resident was killed over the weekend when he lost control of his car on the Oakland end of the Caldecott Tunnel and collided with cars driven by an Alamo man and an Orinda man.

Dead was Gary John Sligar, 26, of San Ramon Village.

His car jumped a traffic island, entered the opposite lane of eastbound cars and in succession struck cars driven by Richard McMillip of 32 Sandra Court, Alamo, and David McCaulou of 40 Overhill Road, Orinda.

CCC Plants and Trees Suffer from 'Disease'

"A disease is running rampant in our yards, how do we keep it from spreading," is the alarming question asked by many citizens in Contra Costa County.

The answer according to Milton Bell, University of California Farm Advisor, is very simple and the situation is nothing serious to worry about.

People have reported that their plants are shriveling up on the trees, apricots have been suffering pit burns inside the fleshy fruit and green walnuts have been burned on the trees and fallen to the ground.

Others describe leaves on various plants and shrubs as having big areas killed and turning to a tannish or brownish color, or even black, depending on the species.

BELL STATES, "If this were a contagious disease, affecting so many different species of plants, it would be a very serious menace. What most people are seeing, however, is injury resulting from the extremely hot weather that began on June 13 and reached temperatures as high as 108 in Walnut Creek and 113 in Brentwood."

Due to this early heat wave, trees, shrubs and other plants suffered severe effects.

Of particular concern is the amount of damage being done to walnut trees all over Contra Costa County.

There is nothing one can do to keep the "disease from spreading," say residents. When the weather cools down, the cause of further injury is eliminated until the next hot spell.

Some people have asked whether or not tree branches showing scorched leaves should be cut off to prevent trouble.

IN ANSWER to this query, Bell said, "No." His reasons for

this answer were that you would ure the tree unnecessarily, thus probably be cutting off many opening it up for more limbs to live branches, and would disfig-sunburn in the next hot spell.

Bell had a few words of advice for all home-owners when he stated, "Just sit tight and try to keep your injured trees and shrubs in good vigorous growing condition by giving them ample deep watering whenever they need it. In other words, don't delay watering until the soil in the root zone gets too dry."

This will better enable your trees and shrubs to manufacture more carbohydrates needed to push out new growth to repair the damage, he added.

A NITROGEN fertilizer will help, but don't apply it on dry soil in hot weather, Bell advises. normal condition once more.

When you do apply it, water it well, he continued.

The advice of an expert such as Farm Advisor Bell, if followed, will help return plants to their normal condition once more.

Delivery Starts Wednesday for New Directories

Some 92,745 copies of the 1961 telephone directory will be delivered to Pacific Telephone subscribers Wednesday, through Saturday, July 22, H. G. Greenhalgh, PT&T manager, said.

The cover is in full color for the first time. It features the Buchanan Traffic Control Tower near Concord, which was commissioned by the Federal Aviation Agency January 25 to handle approximately 12,000 air movements a month.

The book, the biggest ever printed here, also has a new, 24-page Green Index for speedy guide to the Yellow Pages.

And there'll be new numbers, Greenhalgh said.

All Lafayette numbers, 5000 of them, are being converted to All Number Calling. It is the first community to receive the numerical prefix system in the Bay Area. ATLantic 3 will become 283 and ATLantic 4 will become 284.

In addition, PT&T business offices throughout the county will also convert to All Number Calling.

The PT&T business offices will be changed accordingly:

Pittsburg — Hemstead 2-2911 becomes 432-2911.

Martinez—Academy 8-9000 becomes 228-9000.

Walnut Creek—Yellowstone 5-9000 becomes 935-9000.

The book will also have new introductory pages, with improved calling instructions. The opening pages contain important police and fire emergency numbers as well.

The book, itself, contains 79,802 alphabetical listings, an increase of some 4000 names over the 1960 edition. There are 224 alphabetical pages, up 16 from last year's book.

There are a total of 624 Yellow Pages, an increase of 32 pages.

Hunting Safety Course Begins Tuesday Night

Registrations for the state-recognized Hunting Safety Course are being accepted by Harold Frank at the present time.

The first instruction period will be held Tuesday at 7 p.m. at his home, 2133 Youngs Court, Walnut Creek.

Anyone wishing to attend this first lesson should call Frank at YE 4-7521 before Tuesday for a reservation.

In order to obtain a certificate from this course, a person must attend four instruction periods, usually in the evenings.

The safety course is designed for youngsters from 12 years of age.

Youngsters who complete the course are allowed to obtain a hunting license under a state law which recognizes the course and the instructor.

Entitled To Federal Aid

Congressman John F. Baldwin announced Friday that he has been informed by the Commissioner of Education of the United States that favorable action has been taken on the application of the Lafayette School District for Federal assistance for current expenditures pursuant to Public Law 874, which provides for financial assistance for schools in Federally-affected areas.

The commissioner of education has determined that the tentative entitlement for the Lafayette School District for fiscal year 1961 will be \$21,758. Of this sum \$16,318 is being certified for immediate payment.

Robert Elsocht Will Demonstrate Art Technique

Robert Elsocht will give a palette knife demonstration to the Diablo Art Association July 24, at 7:30 p.m., in the Contra Costa Realty Board Building at 1343 Locust Street in Walnut Creek. The public is invited to see this prize-winning artist at work.

Born in Brussels, Belgium, Elsocht has lived in California since age 16. He graduated from the College of Arts and Crafts and until recently was a designer and color coordinator for a western floor covering manufacturer.

WITHIN the last year, Elsocht's paintings have been exhibited in San Francisco's DeYoung Museum, Bakersfield Art Show, Pleasanton County Fair Art Show, San Francisco Art Festival, Marin Art and Garden Museum show, Berkeley-EI Cerrito Art Festival, Lodi Grape Festival, Sacramento-Crocker Gallery.

Elsocht is currently exhibiting in a dozen galleries, among which are the Oakland Art Gallery and the Golden Gate Arts in Lafayette.

Some of Elsocht's most recent awards are: First award in oils, 1960 Alameda County Fair; Purchase award, 1961 Diablo Pageant of Arts; Grand award in oil, 1961 Bay Fair Art Festival; first award, 1961 Oakland Art Association, Oakland Museum.

Katy Madsen will officiate at the July 24 meeting. Katy is acting as mistress of ceremonies in place of President Jim Little, who has hung out his "Gone Fishin'" sign.

WINNING first place in the June "Painting of the Month" contest is Joseph Bennett, whose winning painting may be viewed in the Marshall Pioneer Realty offices on Main Street, Walnut Creek, along with second place winner Albert Washer and third place winner Thelma Rogers.

Exhibiting in one-man shows are: Village Theatre, Danville; Lillian Molina; Muriel Backus is in Compton's; Jim Little, Kaiser's in Walnut Creek; Jo Best, Nut Bowl; Jerry Kronenberg, Suburban Carpets; Carolyn Deming, Ralph, Joseph, Owen, Delora France, Walnut Bowl.

Go to Church Sunday

Methodist

"Experts in God's Service" is the sermon topic of the Reverend George E. Berry, pastor of the Lafayette Community Methodist Church Sunday.

Morning worship services are held at 9:30 and 11 a.m. at the Methodist Church, 955 Moraga Road, Lafayette.

Church school classes for all the family is at 9:30 a.m.; nursery care is provided during both worship services.

THE METHODIST Youth Fellowship, high-school youth, meet at 7 p.m. at the church each Sunday evening. The Wesley Fellowship, college-age youth, meet at 7 p.m. at the church each Sunday evening, also. Those interested are cordially invited to join the groups. Mr. and Mrs. Jack Cotelar sponsor the MYF, and Mr. and Mrs. James Leach sponsor the Wesley Fellowship.

New members will be received into the fellowship of the church early in September. Those desiring more information are cordially invited to call the church, AT 4-765.

Unitarian

"Foxhole Religion—A Fox's Eye View" will be the subject presented at the Mt. Diablo Unitarian Church Sunday. Mrs. Judy Politzer, lay member of the church, will discuss religion in emergency situations.

Mrs. Politzer received a master's degree in psychology from Smith College, Massachusetts and served a year's internship in a Pittsburgh, Pennsylvania hospital. She is a member of the board of the mental health association and is currently chairman of the Religious Education Committee of the church.

The adult service will be held at the American Red Cross Building, 2121 Ygnacio Valley Road, Walnut Creek, at 10:30 a.m. Child care will be provided by the Liberal Religious Youth: ages 1-4 years at the Highland Building, 2363 Boulevard Circle, and 5 years up at the Walnut Creek Recreation Park.

Christian Science

Enrichment of life through spiritual understanding of God is a theme to be brought out Sunday at Christian Science services.

One of the Scriptural selections in the lesson sermon on the subject of "Life" is from John (17): "And this is life eternal, that they might know Thee the only true God, and Jesus Christ, whom Thou hast sent."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this passage will be read: "Ignorance of God is no longer the stepping-stone to faith. The only guarantee of obedience is a right apprehension of Him whom to know a right is Life eternal" (p. vii).

Christian Science churches are located at 22 Orinda Highway, Orinda; 1437 Locust Street, Walnut Creek, and at the corner of Grant and Park Streets, Concord.

Congregational

The Reverend Chauncey Blossom will preach the sermon at the 10 o'clock worship service in the Orinda Community Church, assisted in the service by the newly appointed assistant minister, Arthur Hobart. The sermon topic will be "He Was Helped Until He Was Strong."

The Sanctuary Choir will sing "Seek Ye the Lord" by Roberts with Robert Pierre as soloist.

Church school children, first grade through sixth, will attend the worship service with their parents and be dismissed to their classes after the children's sermon. There will be a film in the junior department, followed by discussion. Child care will be provided.

Baptist

The Moraga Hills Community Baptist Church (three-fourths mile north of Rheem Center on Moraga Road) will have services conducted at 11 a.m. this Sunday by Douglas L. Saxby, assistant professor of preaching, at the Berkeley Baptist Divinity School. Laymana assisting will be Dick La Fontaine of Lafayette.

Sunday school classes at 9:45 a.m. Arliss Johnson is leading the adult class in a discussion of the Book of James.

Nursery is provided by both hours. Those interested in attending an old fashioned church potluck tonight call Melba La Fontaine, AT 3-3255.

Suburban

This Sunday morning at the 11 worship service of the Suburban Bible Church the Rev. Gray Lambert will speak on the subject "Why I Believe in the Second Coming of Christ."

His message will be the final message in a series of sermons on basic Christian beliefs. At 10 the Sunday school will meet and at 11 the extended church school will meet.

Methodist

Wilbur Jacoby, vice president of the Golden West Savings Bank will be the guest speaker at St. Mark's Methodist Church Sunday at the 9:30 a.m. service.

Jacoby is a leading Methodist layman in California and is a member of the San Ramon Valley Methodist Church.

He has been instrumental in the building of two new churches. He has held many positions of leadership in the California-Nevada Conference of the Methodist Churches and presently holds that of chairman of the Conference Committee on World Service. His topic this Sunday will be "Stewardship."

The special music will be furnished by our guest soloist, Odette Weatherbe. Mrs. Weatherbe is a soloist with the choir of the Community Church of Orinda and has sung for many wedding ceremonies in the area.

During the summer months services will be held at 9:30 a.m. with Sunday school in session at the same time for all children in the first through the fourth grades. Care is provided also for pre-school children.

Baptist

Don Harris, lay minister from Orinda, will be preaching at the 11 a.m. Sunday service of the Orinda-Lafayette First Baptist Church. He will also be preaching at the 7 o'clock family evangelistic evening service.

Other services of this church are the Wednesday night Bible study prayer and praise service; 6:15 Sunday evening Baptist Youth Fellowship; and the Sunday school which begins at 9:45 a.m. under the leadership of Ken Bull, using Gospel Light materials.

This church is located on the El Nido Frontage Road, just one-quarter mile east of the Charles Hill Freeway turn-off.

Episcopal

St. Anselm's Episcopal Church Seabury Club has invited all members of the church to attend its special summertime Hawaiian themed buffet supper July 28 at 7 p.m. at the home of George Tickner, 3156 Old Tunnel Road. Reservations may be made with Mrs. Albert Hart, AT 3-2568.

The Rev. Jack Yaryan will be guest preacher this Sunday at St. Anselm's, 682 Michael Lane, and will conduct Holy Communion at 8 p.m. and morning prayer and Holy Communion at 10 p.m. The Rev. Yaryan of Grace Cathedral is in charge of stewardship for the diocese.

Episcopal

St. Giles Episcopal Church, recently formed to serve the Orinda-Moraga area, will hold morning prayer service this Sunday at 10 a.m. at the mission's temporary chapel in the Rheem Shopping Center.

St. Giles chapel and church office is located between the theatre and post office in the Rheem Shopping Center. The mailing address is P.O. Box 187, Moraga; the church office phone number is DR 6-5770.

Episcopal

Holy Communion will be celebrated at 7:30 a.m. and 10 a.m., with morning prayer for families at 9 a.m., at St. Stephen's Episcopal Church on Via La Cruces and St. Stephen's Way in Orinda.

St. Stephen's Choir will sing at the 10 o'clock Choral Eucharist service, offering "Come Thou" (Moscow), the gradual "Jesu Joy of Man's Desiring" by J. S. Bach, and in closing "Alleluia" (Hymn). The group will appear all summer under the direction of Donald Loach, choirmaster and organist.

Presbyterian

The Moraga Valley Presbyterian Church meets at 9:30 each Sunday morning for worship in the old Moraga School.

Dr. White is preaching a series of sermons, "Living the Lord's Prayer" and the subject of this Sunday's sermon is "Hallowed Be Thy Name."

The Sunday church school, nursery through the primary departments, meets during the hour of worship in the old Moraga School.

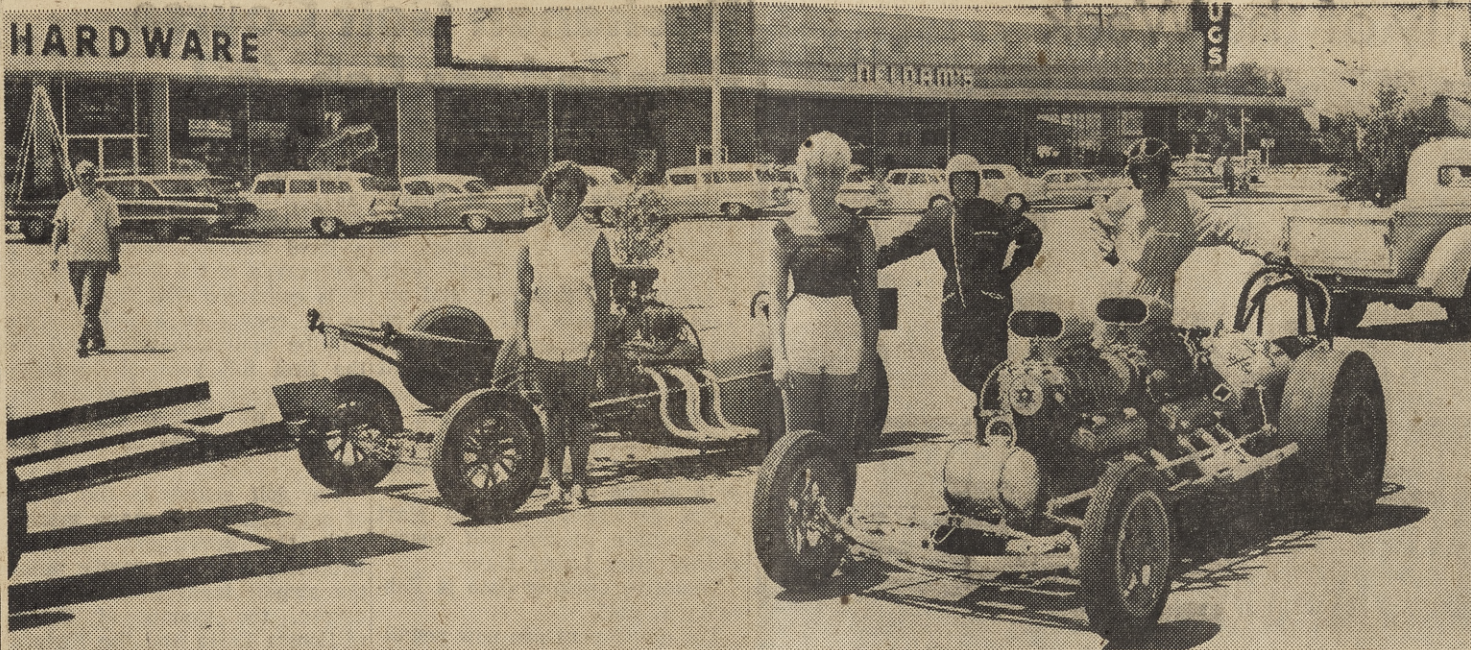

Lutheran

"Lessons Drawn from a Feast" will be the sermon theme of the Rev. Merle O. Tollefson at Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette, at both the 8:15 and 10 a.m. services this Sunday morning.

The Sunday school offers a special departmental program based on the theme "God's Holy Law." This summer Sunday school is conducted at 9:15 a.m. Nursery care for small children is available from 9:15 through 11 a.m.

Christian

"Let the People Come" is the sermon topic of the Reverend Darwin A. Mann, Lafayette Christian Church, 3419 Golden Gate Way.

FAMED DRAGSTER. "L'il Iodine Twin," right, will be among the more than 30 dragsters and autos competing in the Rheem Rod and Custom Car Show tomorrow at Rheem Center. L'il Iodine Twin has

been clocked at speeds of 170 miles per hour. Pictured from left are Jackie Smith, Miss Carroll Country Club; Karen Weatherbee, Miss Custom Car Show; Gary Sutton and Tom Trefethen. Sun photo by Lee Taylor.

Rheem Rod, Custom Car Show Slated Tomorrow

Admission free, the Rheem Rod and Custom Car Show will be held tomorrow from 10 a.m. to 6 p.m. at the Rheem Center Safeway parking lot.

The Ambassadors of Orinda will be hosts for the event for which more than 30 entries have already been received. Participating will be five Bay Area car clubs, with entries valued from \$5,000 to \$10,000 per auto.

Former Orinda Man Released From Prison

Elmer (Bones) Remmer, a former Orinda resident, has been paroled from Terminal Island Federal Prison, near San Pedro, where he was jailed following a conviction for evading \$63,000 in federal income taxes.

Remmer, who was described by the Kefauver Committee in 1958 as Northern California's number one gambler, will work in an Oakland used car lot owned in part by his brother, William.

Remmer in 1958 was sentenced in Carson City, Nevada, to five years in prison.

Before that he operated card rooms in El Cerrito, San Francisco, Stockton and Lake Tahoe.

He will be under the supervision of the parole board until February, 1964.

READERSHIP

SUN PUBLISHER Herman Silverman was pleased and proud to accept this award from Governor Pat Brown. The award is for Second Place in "General Excellence" for weekly newspapers in the state. This top award was presented at the annual awards banquet at the Jack Tar hotel at the convention of the California Newspaper Publishers Association.

THE SUN newspapers win one of the **TWO TOP AWARDS** in California for **GENERAL EXCELLENCE!**

Now 26 State and National Awards in recent years

The California Newspaper Publishers Association awarded The Sun newspapers "Second Place" winner for "General Excellence" among all the larger weekly papers in California.

General excellence is the highest award presented. It covers all categories of newspaper — the composition and presswork, advertising, news presentation — but primarily faithful and complete reporting of the news in the community in which you live.

The Suns (paid circulation newspapers) offer interesting news that affects the welfare of you and your family.

Checks Vanish! Can You Help Solve the Mystery?

A number of checks vanished recently from a deposit prepared by T & D Liquors in Rheem. No one knows, according to the management, just where, when, or how the checks disappeared.

They were lost or stolen between the time the deposit was set on a counter in the store awaiting delivery to the bank and the time the remainder of the deposit reached the bank.

The bank number, name of bank and amount of each check is published in the hope that

someone may recognize same and be of assistance in tracking down the vanishing checks. The checks were issued or cashed June 5 through June 8.

Association Displays Flags

Bastille Day, the French national holiday of July 14, will be observed by the Lafayette Federal Savings and Loan Association by the display of the French tricolor and American flags at the offices of the association, President Harry L. Morrison, Jr., announced.

The association is celebrating the French holiday in honor of the French-American patriot, the Marquis de la Fayette, after whom the Savings and Loan Association was named, Morrison stated.

Regular breakfasts with quality protein like that in eggs and milk give greater efficiency than the "just coffee and toast" kind.

Question: Should Taxpayers Be Always Militant?

"Many citizens are inclined to think that taxpayers' associations should be militant and deal roughly with public officials in financial matters," says the Taxpayers' Budget Analysis Handbook, recently prepared by the County Taxpayers Association.

Not so, it continues. The handbook, signed by Harry Morrison, Jr., executive director, says "There is sometimes a place for such an approach, but in actual practice the money involved in such actions is less than the large sums involved in the multitude of small decisions on budget items for mandatory expenditures."

"MILITANCY may jeopardize working relationships."

"Best results are gained in these areas by maintaining uniform good humor, dignity and respect for the public officials side of the picture."

"Open militancy is not compatible with the mechanics of the taxpayer operations."

Morrison's handbook also explains how the benefits of a lot of work and tight budgeting can be lost in a crucial moment.

AND IT explains why often officials succumb to the temptation of that moment.

It said, "It is possible to conserve a lot of money by tight budgeting all down the line through the operating departments and other types of budgets, only to lose all the ground gained on capital outlay."

"This is because some officials look on the capital outlay account as a balancing item which may be trimmed up or down depending on conditions."

"If substantial surpluses have accrued during the fiscal year . . . or assessed valuation has risen substantially, officials are sometimes tempted to put considerable money into capital outlay in order to keep the tax rate for the forthcoming year at about the same point that it stood during the current year."

"... MANY officials regard a widely fluctuating tax rate as risky and undesirable."

"They are not opposed to having the tax rate go down but they know that when it goes up again, taxpayers will complain."

(Editor's note: County Administrator J. P. McBrien has said that "obliteration" of the county's capital outlay program this year is not enough to lower the tax rate.)

Continued the handbook, "Local citizens have the right and the duty to say whether current variations in the financial situation should provide them tax reduction or acceleration of capital outlay programs . . ."

THE HANDBOOK also discusses the procedures of budget preparation, the taxpayer's participation, road financing, reserve cash and the "delinquency factor."

The handbook concludes: "... the taxpayer has just cause to speak his piece."

"Governments exist for the performance of services only; they do not create one dollar of new wealth."

"Every dollar the counties, cities, schools or special districts unnecessarily take out of the economy weakens it. Dollars begotten dollars when productively employed by industry."

LEGAL NOTICE

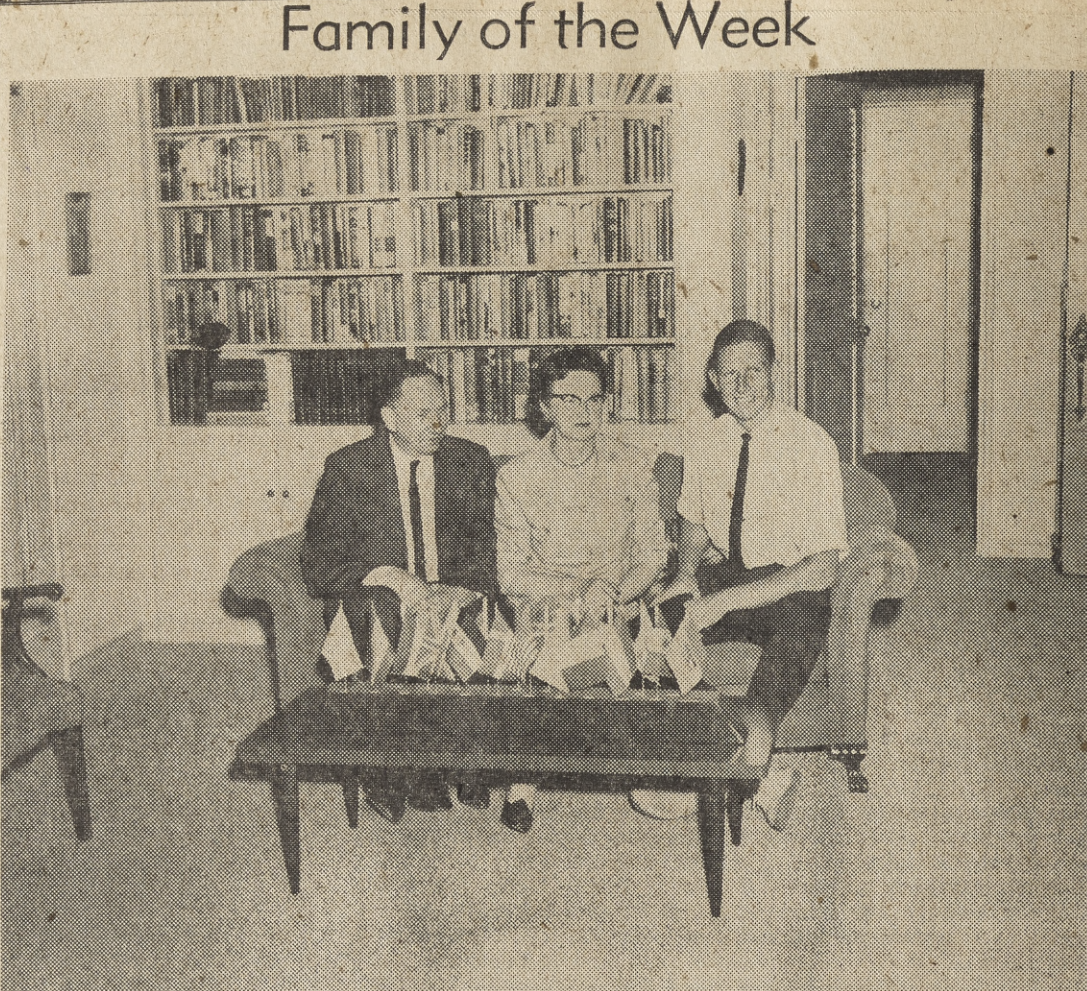

SCHOOL BOARD ELECTION NOTICE

Notice is hereby given to the qualified electors of Canyon School District of the County of Contra Costa, State of California, that in accordance with law, an election will be held on Tuesday, the 25th day of July, 1961, in said District, between the hours of 3:00 o'clock p.m. and 7:00 o'clock p.m., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of issuing and selling bonds of said District to the amount of \$15,000 Dollars, for the purpose of raising money for the following purposes:

- (a) The purchasing of school lots.
- (b) The building or purchasing of school buildings.
- (c) The making of alterations or additions to the school building or buildings other than such as may be necessary for current maintenance, operation, or repairs.
- (d) The repairing, restoring or rebuilding of any school building damaged, injured, or destroyed by fire or other public calamity.
- (e) The supplying of school buildings and grounds with furniture, equipment or necessary apparatus of a permanent nature.
- (f) The permanent improvement of the school grounds.
- (g) The carrying out of the projects or purposes authorized in Section 15811 of the Education Code, to-wit: Providing sewers and drains adequate to treat and/or dispose of sewage on or away from each school property.

All of the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

Said bonds proposed to be issued and sold shall bear interest at a rate of not exceeding five per cent per annum, payable annually for the first year the bonds have to run, and semi-annually thereafter.

EVERETT AND Ruth Howe study son Milt's collection of international flags in the living room of their Glorietta Court home, the standards symbolic of a forthcoming trip to Egypt for the couple. As director of the demineralization project (sea water conversion) of the University of California campuses, Everett will accept an invitation from the Egyptian government to consult and advise on their water problem. Long-time residents of Orinda (18 years), the Howes confess the great joy experienced in watching the Orinda Community Church, in which they've been so active, grow along with the community. Howe is a past member of the board of directors of the Orinda Association, has served long on the planning commission, is advisory to the Sanitary District. Son Milt, a U. C. Santa Barbara soph, is a member of the track and cross-country teams. A daughter, Sylvia (Mrs. J. Bruce Simon), lives in Lafayette and her daughter, 2½ year old Terry, is grandfather Everett's star subject when he has time for his favorite hobby photography.

State Welfare Head Answers Nejedly Charge

District Attorney John Nejedly's criticism of the State Department of Social Welfare's standards for extending aid funds to county medical rehabilitation programs, received an answer last week.

J. M. Wedemeyer, department director, said the standards had been drafted by the State Department of Public Health, and represented the advice of private physicians, hospital administrators and experts in the welfare and rehabilitation fields.

Nejedly has said that the Contra Costa County rehabilitation program did not meet state aid requirements because the social worker in charge did not have two years graduate work towards a masters degree in social service work.

But Miss Lorraine Sheenan has been with the county department for 24 years, is a registered social service worker and has taken supplemental university courses for 20 years, Nejedly said.

Wedemeyer said the purpose is not to place obstacles in the way of county hospitals' participation in the state program, but only to insure that the state money will be spent efficiently and effectively.

He said only eight county facilities in the state have been certified for this aid.

Here's How Workshop Helped Al and Mary

What is a "sheltered workshop?" Can anyone find "employment" there? How does it serve the community? What can we do to help?

These are a few of the many questions asked of the Mt. Diablo Therapy Center.

When a man called Al was sent to the center, he didn't know these answers and what is more he didn't have the interest to ask the questions.

AL WAS a salesman in his early forties who worked with all the vigor and enthusiasm of a man happy with his job. Then Al had a stroke.

He could scarcely move, his speech was greatly impaired—he was a man with no future. Two years later Al is back selling, driving over his territory, his life returned to him. Al is a man made whole again—a man with a future.

Mary, afflicted with arthritis in her early teens, was sent to the center by her physician for physical therapy. As her condition improved, she moved into the occupational therapy department.

There she learned to use an electric typewriter and operate a switchboard. Under the auspices of the State Vocational Rehabilitation Services she entered the Sheltered Workshop for clerical training—keeping books, paying bills, typing statements. Today she is employed as a skilled secretary, a young woman with a promising career.

HOW ARE these two people and many, many others returned to productive lives in spite of overwhelming odds to the contrary? A major role in this accomplishment is played by the Sheltered Workshop.

One of the first of its kind on the Pacific Coast, the Sheltered Workshop became a part of the rehabilitation program at the Mt. Diablo Therapy Center in 1952.

It is designed to develop handicapped persons to their maximum abilities in a useful skill through coordinated therapy. With this goal in mind, the patient may return to the community, obtain employment and become self-supporting.

In the beginning the shop consisted of one room and one man. Today, the shop serves approximately 30 clients who work on several contracts from business and industry in a building adjacent to, but separate from, the main center.

WORKING as an enthusiastic team these men and women strive to set higher production records, proudly take home pay checks and look forward to returning once again to competitive employment.

Admission to the shop is by medical prescription and agency referrals. Besides the private physician the center provides vocational evaluation and training for such agencies as the State Vocational Rehabilitation Services, Contra Costa County Social Service Department and Veterans' Administration.

The shop operates under a special license issued by the Federal and State Departments of Labor. The "team approach" under which the entire center program operates, is probably used more

Buchanan Golf Course Planned for Feb. '62

The long-awaited Buchanan Field Golf Course has become a reality.

The County Board of Supervisors has approved a lease signed by Dan C. Peacock of Orinda and Y. C. "Chet" Soda of Oakland to construct and operate a nine-hole golf course on the perimeter of airport property. The course will be located at the junction of Highway 21 and Concord Avenue in an area of approximately 40 acres.

It will be open to the public on a greens fee basis.

The developers plan to start construction of the golf course shortly after Labor Day.

Tentative opening date is February 1, 1962.

The developers are now negotiating with a top-flight professional to serve golfers and give instructions at the course. The course will be the longest nine-hole course in the Bay Area, according to its developers.

Its total length will be in excess of 2300 yards, with most of the holes being in excess of 250 yards.

A driving range will be operated in conjunction with the course.

The lease to the county is for

a term of 20 years.

The developers will construct the golf course at their own expense and will pay the county a fixed monthly rental, plus a percentage of the gross receipts. It is estimated that the revenue to the county on a sliding scale will be approximately \$5000 for the first full year of operation and increase in graduated steps until it will return the county a profit in excess of \$6000 per year.

The golf course is the result of negotiations for many months with the developers, Mangini Brothers, who currently lease the airport land needed for the course, the County of Contra Costa and the Federal Aviation Agency, which has the final approval of all installations on airport property.

Supervisors Mel Nielsen and Tom Coll, the Board of Supervisors airport advisory committee members, expressed great pleasure over the successful culmination of the negotiations.

Hats Off To...

Chuck Currier New Mgr. Of Disneyland Hotel

A GREEN (with envy) look, please, at Chuck Currier, Orinda hotelman, who just pulled out a Plum—the job of managing the Disneyland Hotel 'way down South in the Land of you-know-who!

The personable dark handsome husband of Lonnie Currier and father of Sweet Sixteen Jan and son Lee aged 12, will take over the managerial duties of the popular resort-hotel, its pool and 18-hole golf course this summer making a mid-July move for the Orinda family who have lived on Valley Drive for nine years.

WISCONSIN-born Chuck, a grad of C.O.P. with graduate work at U.S.C., a P-38 pilot during World War II, has been with the Handley Hotel for nine years; active locally in Scouts, currently serving as Summer League coach; together with Lonnie (who loves to sing and CAN!) was a mainstay of the memorable "Absurdia in Suburbia" shows of the past.

A PARTING GOODBYE to the popular family who "expect to see more Orindans down there than we do here," Orinda having the reputation for record crowds of D-Land fans!

Water Is Fun, But it Can Be Dangerous, Too

It's a lot of fun to go swimming during our warm summer days.

And if you have a family, as you well know, it's almost impossible to keep the kids out of water, especially if you go on a vacation trip to some location that has lakes, pools or streams.

You can hardly avoid coming in contact with the water with the community swimming pools that abound in our area, to say nothing of the private pools and other facilities.

And there are fascinating miles of waterways in our own Delta region . . . our own back yard.

BUT THERE is a danger in each of these places . . . a danger you have been alerted to before. And there are rules to govern the safety of you and your family.

Not rules for "the other guy," because drowning is a personal thing.

How would you feel if, next Sunday,

you and your family went out to enjoy a day by the water—any water—and you came home without your youngest child—or your wife, if you have no children?

So here are some general water safety

IT WOULD not only ruin your day, it would make a serious impression on your whole life.

rules—for YOU—not the other guy, to use as a guide.

Of course you know them all, and of course you follow them all the time. But just in case you need a reminder, we suggest you clip this out and put it on your family bulletin board.

Learn to swim.
Never swim alone or in unsupervised areas.

Avoid swimming after meals.
Avoid known shark areas.
Do not swim after dark.

Avoid over-fatigue and excess sun.
Know artificial respiration.

SECOND SECTION ORINDA SUN FRIDAY, JULY 14, 1961 Deadly Reckoning by Robt. Day

More than 3,000,000 persons were killed or injured in motor vehicle accidents in 1960.

Letters to The Editor

SHOOTING

Dear Editor:

By the grace of God our son is alive today. Our family friend lies in a veterinary hospital, his insides torn apart by a .22 bullet. We aren't safe even in our own back yard!

Sunday night, July 9, our son and our dog were playing in the backyard. The dog cried out! He had been shot in the stomach. It could just as easily been our son.

The police are looking for the person who shot the gun now. Can any parent rest easy? Does your neighbor shoot a gun with-

in city limits? Do you permit your child to roam the field or orchard with a gun?

Our grief for our dog is great, but next time it may be a child. The person who committed this vicious crime must be apprehended. Did you see anyone in the vicinity of the Marchbank Ranch with a gun Sunday night?

Until he is found, you aren't safe in your own yard, nor are you safe as long as you look the other way at a "hunter" within the city limits!

JOYCE J. BRUMFIELD

We Like It Here . . . In Search of a Swim Suit That's Suitable

By MARIE MONAHAN

I THINK that I shall never see,
A bathing suit I like on me!

A suit that fits & feels just right—
That's not too loose & not too tight!

A SUIT I may in summer wear,
To keep me cool & trim, while bare . . .

A suit that well can stand the test—
OF LOOKING fore & aft its best . . .

A suit in which to take my dips,
That slices inches off my hips.

A SUIT that's trim, that isn't baggy
One that doesn't soon go saggy . . .

A SUIT I want to slenderize—
From stem to stern, from waist to thighs.

O for a suit a perfect Rage—
LIKE SOMETHING from a fashion page . . .

A suit that makes me lean & sleek
NOT one that makes me look antique . . .

A "tank suit," Dear, is not for me,
They'll think I'm Gertrude Ederle . . .

LIKEWISE Bikinis, I say No . . .
Neither am I M. Monroe.

WHAT I WANT is just a suit—
Not too fancy, not too cute . . .

A SUIT, my summertime disguise!
One with hint of Oooh, surprise!

A suit in which I'll swim or squirm
And not look like a Pachyderm.

THE SWIMMING Suit I seek pour moi—
Must not suggest Avoir du pois

But Goddess Greek with Sylphic chic,
(A suit to make strong men go weak!)

THE SUIT I find must not divulge
Too much bump or too much bulge . . .

I THINK that I shall never find—
The kind of suit I have in mind.

A SUIT that meets approval from the front—
And looks as good—behind!

IS IT an impossibility to find a suit like THAT for ME?

Letters to The Editor

GRAND JURY

(Ed Note: The following letter is a copy of one sent to Supervisor Mel Nielsen, given to The Sun by Douglas Beasley, 1960-61 Grand Jury Foreman.)

Dear Supervisor Nielsen:
I was shocked to read in the Oakland Tribune of June 28 a statement attributed to you and criticizing me for a suggestion of the 1960-61 Grand Jury to the Taxpayers Association with reference to welfare. The paper quoted you as follows:

"ACTING independently without consulting the whole jury, Beasley didn't look into the subject before he made his suggestion. He acted independently, without consulting the jury or its health and welfare committee. If the Grand Jury's name is going to be used in something like this, the foreman should see to it there is further study."

This statement is completely false and I and the members of the Grand Jury, I am sure, are deeply disturbed by the inference in your statement. Contrary to what you stated, the Grand Jury, at its regular session held in Martinez on June 12 discussed this suggestion. A motion was made, duly seconded, and passed unanimously directing the foreman to write a letter to the Taxpayers Association suggesting they make such a survey and report their finding to the incoming Grand Jury.

INCIDENTALLY, the Press reports that Newburgh, N.Y., has initiated a city plan for social welfare in resentment against the laws and regulations of the Federal and State governments relating to the whole social welfare program. Just how successful this brave city will be with their own program remains to be seen but the handwriting is on the wall.

DOUGLAS BEASLEY

FLUORIDATION

Dear Editor:

I reluctantly re-introduce the controversial subject of fluoridation with this suggestion: Those of us who wish to take advantage of fluoridation's benefits may do so by purchasing such in tablet or drop form on a supervised prescription basis.

This is an inexpensive plan, our entire family is benefiting by this and most important, it is a voluntary thing for the individual himself to decide.

To change the subject, I was pleased to read in Marie Monahan's column the source of that weird annoying hum. It is the drone of the dam's dynamo.

I agree wholeheartedly with Marie's comments about the lack of patriotism most of us show with our lack of the show of our nation's flag on patriotic holidays. However, I feel the flag should be made more readily available to the public.

Just where does one buy one? The stores who have flags to sell could run a direct advertisement before such a holiday, such as, "If you don't have your flag, we do." Then I think the number of flags flying high would be doubled next holiday. In any event, the Smiths will have theirs.

RAMONA SMITH

(Editor's note: This is one of many letters of reply to a question posed in Herman Silverman's Under The Sun column. He asked if The Sun should extend its editorial coverage to non-local subjects.)

Dear Editor:
You are doing fine work in your paper, both editorially and in news, making your subscribers aware of county doing, problems and solutions.

Since as you commented, your subscribers doubtless have other sources covering the national and ever-broadening international field, it seems to me it would be rather better to leave things as they are, unless you feel a vital issue is involved.

MRS. ROSLYN WEED

Under The Sun Children at Chom Salm School Say 'Thank You'

By HERMAN SILVERMAN

This is a report to you.

Remember—several months ago this column suggested that some of you might want to join my daughter Janet and me in sending CARE School Kits (\$1 each) to Korea. Janet started all this. For several years now, she has been sending some of her allowance to CARE—almost monthly.

The response to the appeal for school kits was excellent. In addition to \$1 and \$5 checks from you folks, several Brownie and Cub groups sent money. Since these checks were sent to The Sun for transmittal to CARE, you did not receive a CARE delivery receipt. CARE acknowledges every gift.

From here to Korea

These kits were delivered to the Chom Salm school in Seoul, Korea. CARE recently sent us delivery receipts, plus several letters and pictures. Here you see some of the Chom Salm students. And the following is a letter Janet received from George D. Taylor, chief of CARE Mission, Korea:

DEAR JANET:

The school kit you sent to Korea, through CARE, has arrived safely and has been delivered to Kim Tae Suk.

Kim Tae Suk is an 18-year-old Korean boy who came from North Korea with his father, mother and two brothers after the end of World War II.

Kim lost his mother three years ago and since then Kim and his brothers have had to work in order to have a place to live and feed themselves.

Because Kim has to often work in the daytime, he has not been able to go to school regularly. Therefore, even though he is a few years behind in school, he has tried to catch up in his schooling by attending night classes.

MEET SOME OF THE 84 STUDENTS at the Chom Salm school in Seoul, Korea. They received the \$1 school kits that some of you readers sent in several months ago. They also need shoes, underwear and food.

Also known as True Life

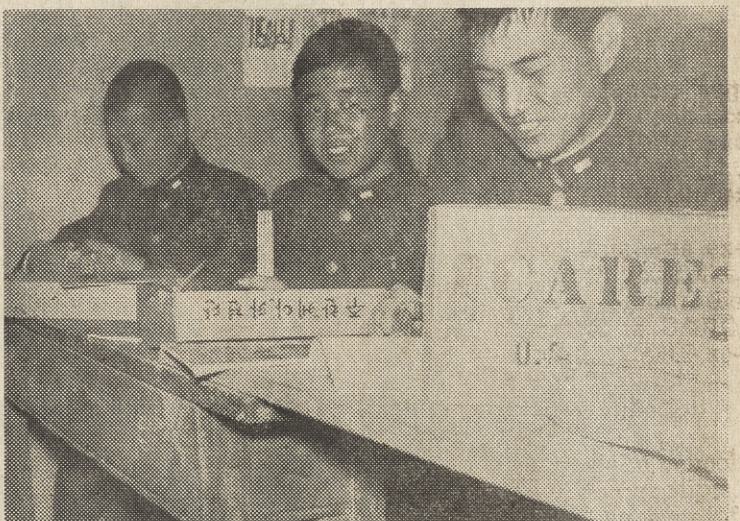

The school Kim attends is called the Chom Salm, or True Life School, and is free. The teachers have regular jobs or attend college in the daytime, and teach in the True Life School at night without being paid.

The school is on top of Hill No. 22, a windy hill overlooking the famous Han River in the Song Dong Ku district north of Seoul City.

Kim, his 84 classmates and helpful college students built their three room school house. The school house has dirt floors, no windows and through most of the winter, no heat.

However, you will be glad to know that your neighbors in the United States provided two stoves to heat the school before the winter was over. (Editor's note: a CARE stove costs \$30.)

You will also be glad to know that many of Kim's classmates also received a CARE school kit.

JANET'S \$1 CARE SCHOOL KIT was delivered to Kim, Tae Suk, at extreme left. Others from Sun readers went to his two friends.

Because almost all Korean boys and girls believe that going to school is just about the most important thing they can do, you can be sure that your help and thoughtfulness have meant something very good to Kim Tae Suk.

Sincerely,
GEORGE D. TAYLOR

They love school

I can corroborate Mr. Taylor's statements that Korean children are hungry for education. In Korea last September with the Air Force press tour, I was most impressed with the thousands of young students and the sacrifices they make for an education.

One dollar goes so far in Korea; it is a lot of money. Would you like to help "adopt" the True Life School by sending \$1 or \$2?

\$1 will buy a school kit or books. If five of us send \$1 each, we can have CARE deliver six pairs of rubber-soled, canvas top shoes. And if another five send \$1 each, we can send 4 sets of long-sleeved children's underwear. And another \$5 will buy a Korean basic food kit—1 lb. whole milk powder, 6 lb. red kidney beans, 5 lb. sugar and 5 lb. beef in gravy.

We have \$6 already

Janet has already pledge \$1. I'll add \$5. Will you join us?

Make out your check to "CARE." If you want a school kit, you can send it to CARE, c/o Local Postmaster, specify the school and "schoolkit." Or if you want to join other Sun readers, send your check (made out to CARE) to The Sun. And we'll forward them to CARE, buying shoes, underwear or food. Won't you do it now—before you forget?

The Staff Corner It's a Great Game . . .

By GEORGE COLBURN

Summer is like youth—it's a fleeting thing.

One minute it's here and the next minute it's gone.

But when you put the two ingredients together you come up with a tremendous product, even if it's only for a brief time.

Youth in the summertime is a wonderful thing. It's refreshing like those cigarettes are supposed to be.

Because my mother was the lone representative of her sex in my immediate family, I, quite naturally, am more familiar with the young man's activities in the summer months.

And that one thing that stands out in a young boy's mind in the summer is baseball—there's no getting around it—other things are secondary—even girls.

YOUNG boys and baseball in summer mix like scotch and soda and these are wonderful combinations.

Being a coach in a junior baseball program this summer has provided me with one of the biggest pleasures of my not-so-old life.

Along with countless other men in our central communities, I have had my moments of joy, frustration, anger, laughter and sadness.

Sports are funny—they can affect you in any of these ways depending on the situation.

But with all things taken into consideration, I wouldn't trade my team for any team in the world. And I suppose next year when I have 14 different youngsters I will feel the same way no matter how good or bad they are at playing baseball.

Junior baseball, besides being good training for the boys, is good for the coaches, too.

TRYING to do the right thing at the right time and always striving to set the best possible example is darn good training for the older set who coach.

In my own case, I know I have been able to control a sometime uncontrollable short temper because with 14 young boys

around I have thought twice before blowing.

Many things have been said about the evils of junior baseball, the pressures to youngsters and the harm it may do them. And I suppose a lot of the arguments are true.

Parents have been blamed for a lot of the problems of junior baseball. "Experts" say they put too much pressure on their youngsters to be another Mickey Mantle or someone similar and if they don't do good they are outcasts in their own homes.

My own personal first-hand knowledge on this particular matter causes me to disregard the whole theory.

There are exceptions to every rule and junior baseball is not different. I know somewhere, somehow the arguments against the junior baseball programs were formulated.

AND I KNOW that the arguments must be partially true or hold true in some areas.

I like to win, so does the team, but we don't contemplate suicide after we lose. Many "experts" seem to think that kids and their parents do when sonny or his team lose out.

Baseball is a great game—the American game—and kids will go on playing it ad infinitum. And they'll always play it the same way.

They want to win and when they don't, they feel bad. And if they do poorly they feel bad.

It's only natural that they should feel that way—if "my kids" didn't, I would think they were sick or something.

But, because I know kids will act like kids I will keep on coaching them. There's nothing quite as good for the low spirits than participating with a bunch of good-natured youngsters who are doing something they really like to do.

And because of all this, I'll be a little sad-hearted when this fast-fleeting summer comes to a close because I will be losing my 14 youngsters.

And I wouldn't trade them now for any other team in the world.

What, Work for It?

William Golden Contra Costa County Social Service director, has come up with an excellent idea which is now being studied by our board of supervisors.

He has proposed that able-bodied recipients of general assistance funds actually work at county provided jobs.

If the board adopts this resolution it will mean that those general welfare fund recipients who are able must work before they can receive aid from the county.

County Administrator J. P. McBrien said that the county presently pays nearly \$1 million annually to the general assistance subscribers.

THE FUNDS are provided solely by the county . . . which means that they come from taxes and, ultimately, from your pocket.

The resolution would provide for termination of funds to those recipients who refuse to work, are insubordinate, or walk off the job.

The program calls for various county

offices to provide the tools, equipment and transportation for the workers and that a maximum of 40 hours per week could be required.

This sounds like an excellent idea. It would be good for the recipients themselves, because they would be "earning" their money . . . not living from charity.

It probably would not save us much, if any, actual money, because these workers would not replace civil service personnel.

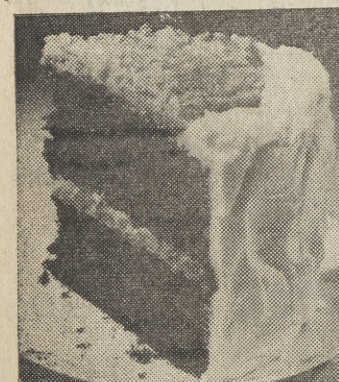

We would like to compliment the county for coming up with this proposal. It is the kind of thinking that demonstrates good government. Certainly our board of supervisors should give it due consideration and should compliment Mr. Golden for his presentation.

This is one of our major county expenditures and anything we can do to derive benefit, either to individuals in a moral sense or to the county in direct benefit, should be done.

DESSERTS OF THE WEEK FROM Betty Crocker

"What's for dessert?" Pick an easy answer from this column, why don't you. And another for tomorrow night. We'll be back next Thursday with more ideas for desserts to make you famous.

Cake-of-the-week:
GEORGIA BUTTER
PECAN CAKE

Win compliments tonight with this Southern specialty. Bake Betty Crocker Devils Food Cake Mix in layers. Cool. Toast 1 cup finely chopped pecans in 2 tbsp. melted butter over medium heat about 5 min., stirring often. Remove from heat and stir in 1 1/2 cups Betty Crocker Creamy White Frosting Mix and 2 to 3 tbsp. hot water. Spread immediately over both layers. Mix remainder of frosting with 2 tbsp. butter and 1 to 2 tbsp. hot water. Frost sides of cake.

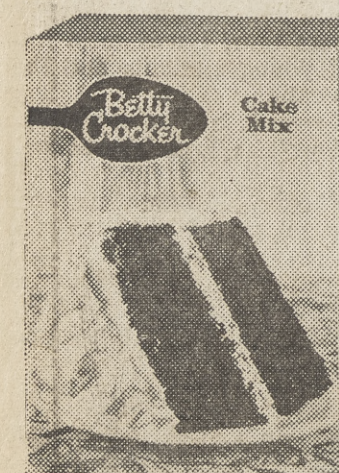

Family Favorite:
MARBLE NUT GLAZE

Surprise! It's a super ice-cream sandwich! Make Betty Crocker Marble Cake Mix batter as directed—except spread 1 cup Diamond Walnuts in bottom of prepared 13x9 1/2x2" oblong pan. (Follow pkg. directions to marble cake.) Bake. Cut squares, nut side up. Split, fill with ice cream. Top with sauce.

Birthday Fun:
OUTER SPACE CAKE

An easy way to delight future space travelers. Bake Betty Crocker Yellow Cake Mix in layers. Frost with Peanut Butter Frosting: Add 3/4 cup peanut butter and 1/2 cup hot water to 1 pkg. Betty Crocker Creamy White Frosting Mix (dry mix); beat. Make satellites to orbit around cake by sticking toothpicks into red and green cherries and placing them on cake.

Couple Repeats Marriage Vows In Reno, Nevada

Wed June 24 in Reno, Nevada were James G. Thomson II and Gail Dinwiddie.

Vows were exchanged in St. John's Presbyterian Church with Rev. W. E. Clawson, Jr. officiating.

James is the son of Mr. and Mrs. James G. Thomson of Pleasant Hill. Gail is the daughter of Mr. and Mrs. W. Stewart Dinwiddie of Reno.

The bride chose a floor length gown fashioned of silk organza and chantilly lace. It featured a sweetheart neckline and bracelet sleeves. The silk illusion veil was caught by a silk organza bow. Flowers consisted of orchids and lily of the valley.

Attending the bride was Mrs. Parker Dinwiddie of Reno as matron of honor. Bridesmaids were Helen Dinwiddie of Lafayette, Mrs. Jack Carlson of San Jose and Ann Shuey of Orland.

Jack Carlson of San Jose was best man. Ushering were Parker S. Dinwiddie of Reno, Earl Griner of McMinnville, Oregon and Robert Cohn of Pleasant Hill.

After a reception at the Elk's Club, the couple honeymooned at Lake Tahoe. They are making their home in Rheem.

Hadassah Seats New Officers

Installation of Diablo Valley Chapter of Hadassah took place June 22 at the New American Red Cross Building, Ygnacio Valley Road, Walnut Creek.

Mrs. Bess Mandel, past regional president of Hadassah, was the installing officer.

New officers are as follows: Selma Cronin, president; vice presidents: Madeline Babin, ways and means coordinator; Bernice Lindner, membership; Jean Bojarsky, program.

ALSO TAKING new offices are: Roberta Cohn, recording secretary; Helene Weber, corresponding secretary; Mollie Goldberg, treasurer; Lee Perlman, parliamentarian; Lillian Arnold, financial secretary.

Included were: Audrey Goren, education chairman; Nora de Grosse, Zionist affairs; Millie Wiener, American affairs; Vickie Selig, Youth Aliyah; Ida Brodsky, hospitality.

Mrs. Zelma R. Lucoff, special program, gave a reading of "Love and Knishes" by Sara Kasdan.

JAMES G. Thomson II of Pleasant Hill wed Gail Dinwiddie of Reno recently in Presbyterian Church rites in the bride's hometown. Photo by Ernie Mack.

Carol Carter, Lt. Wolcott Exchange Vows

Former airline stewardess Carol Lee Carter became the bride of Lt. John Vernon Wolcott June 24 at the Danville Community Presbyterian Church.

The 4:30 p.m. ceremony was read by Rev. Orville Shick and followed by a reception at the Claremont Hotel in Berkeley.

Carol is the daughter of Mr. and Mrs. Charles D. Carter of Danville. The bridegroom is the son of Mr. and Mrs. George A. Wolcott of Peoria, Ill.

The bride wore a white silk organza over chantilly lace gown with sweetheart neckline, elbow length sleeves, ballerina length.

The silk illusion veil was caught with a crown of seed pearls and lace. She carried a white cascade of various flowers with an orchid in the center.

Dressed in blue dresses were the bride's attendants: Mrs. Bonnie Dee Butchko, twin sister of the bride, as matron of honor; Mrs. Mary Phipps, San Francisco and Carol Tibbetts, Danville, bridesmaids.

Best man to the groom was Robert Wolcott, brother; ushers were: Gary C. Carter, brother of bride, William Butchko, Los Angeles and Richard Carter, brother of bride.

The new bride is a San Ramon Valley High School graduate, charter member of Danville Bethel Job's Daughters.

She attended Chico State College and earned her stewardess wings with United Airlines, based at Denver, Colo.

Her husband received his bachelor of science at Bradley University. He was president of his fraternity, Delta Upsilon. He is based with the air force at Cheyenne, Wyo.

Lafayette Tea Honors Future Bride

Mrs. S. Charles Knight of Lafayette gave a tea June 28 to honor her future daughter-in-law, Maureen Elizabeth Dwyer.

Maureen and James M. Knight announced their engagement recently. Maureen is the daughter of Mr. and Mrs. Thomas R. Dwyer of San Francisco.

She is a Kappa Kappa Gamma at the University of Oregon. The future benedict graduated from the University of Oregon in June with a degree in journalism.

The couple plans an August 27 wedding in San Francisco.

Joan Hafsal Becomes Mrs. Dilling

Two Danville residents became man and wife June 24 at St. Isidore's Catholic Church in Danville.

Joan Christine Hafsal, daughter of Mr. and Mrs. Alfred Martin Hafsal and Walter Reid Dilling, son of Mr. and Mrs. Robert A. Dilling were wed by Father Benson at a nuptial mass.

A full length gown of white peau de soie over white taffeta was worn by the bride. Alencon lace enhanced the bodice and sleeves. The train was long, and the fingertip veil was crowned with pearls and crystals. Bridal bouquet consisted of orchids and stephanotis.

Attending the bride were: Carol Hafsal, sister, maid of honor; Mrs. Roger O. Dilling, groom's brother's wife, matron of honor.

Also attending the bride was Sandra George as bridesmaid. All attendants wore princess style dresses of aqua peau de soie over taffeta with pale yellow carnation bouquets.

Best man was Lt. Roger O. Dilling's groom's brother. Ushers were Charles Dilling, groom's cousin, and Louis Mancini.

A reception was held for the couple and 200 guests at the home of the groom's parents on Prospect Avenue.

The groom is a graduate of Great Falls High School in Montana and St. Mary's College. He is employed at Fireman's Fund Insurance in San Francisco.

The bride is a graduate of San Ramon Valley High School and San Jose State College where she affiliated with Chi-Omega sorority. She is presently teaching the third grade in Campbell School District near San Jose.

The newlyweds will make their home in San Jose after a honeymoon to Hawaii.

Coopers Rest

Spending a few days at Del Monte Lodge, Pebble Beach are Mr. and Mrs. Paul A. Cooper of Tappan Lane, Orinda.

Miss Larsen, J. Edwards Marry Here

The Walnut Creek Presbyterian Church was the scene of the June 24 wedding of Judith Fern Larsen and Jerome Edwards.

Judith is the daughter of Mr. and Mrs. Stanley J. Larsen of Walnut Creek. The bridegroom is the son of Mrs. Irma Garner of Mercer, Pennsylvania.

Reverend James C. Upshaw officiated at the ceremony.

Judith chose a gown of beau de soie with alencon lace trimmings. It featured a Sabrina neckline and chapel train and veil of French illusion. The gown was designed and fashioned by Colette.

The new Mrs. Edwards' flowers was a bouquet of white cascading blossoms.

Her attendants were: Mrs. Jerry Williams, matron of honor; Mrs. James Larsen, Ingrid Bergh and Louise Granath, all bridesmaids.

They wore dresses of turquoise silk organza over taffeta.

Attendants to the groom were: Jerry Williams, no family relation, Fresno, best man; Dr. Raymond Zack, Allen Green and James K. Larsen, brother of the bride, ushers.

Judith is a graduate of Las Lomas High School where she was an American Field Service Exchange student, a California Scholarship Federation life member, a yell leader and a member of the Girls' Service Society.

She received a bachelor of science degree in dental hygiene at the University of California at Santa Barbara where she affiliated with Spurs (national women's honorary organization), RHA University of California Dental School, division of dental hygiene.

Jerome is a graduate of Oakland Technical Institute. He is a junior at the University of California Dental School where he affiliates with Xi Psi Phi fraternity. Jerome spent four years in the Navy prior to his college career.

The couple will reside in San Francisco after a Lake Tahoe wedding trip.

A reception followed their marriage at the home of the bride's parents in Walnut Creek.

Sandra Nelson Is Engaged To Utah Man

Mr. and Mrs. Robert A. Nelson of 2858 San Antonio Drive, Walnut Creek, have announced the engagement of their daughter, Sandra, to Christian Lee Meyer of Salt Lake City, Utah.

Sandra is a 1957 graduate of Mt. Diablo High School and was graduated this June from the University of Utah at Salt Lake City, where she received her bachelor of science degree. She plans to leave soon for a year's internship at King County Hospital in Seattle, where she will continue her study of dietetics.

While at college, she became affiliated with Alpha Phi sorority.

She has two sisters, Susan, a senior at Clayton Valley High School, and Margaret, who is a freshman at the same high school, and one brother, Leland, a sophomore at the University of California.

Women in The Sun

FRIDAY, JULY 14, 1961

LINDA AXELSON became the bride of Harry Murphy in June 25 rites in Orinda. The bride is the daughter of Mr. and Mrs. Vernon Axelson of Orinda. Harry is the son of the Leonard Murphys of Lafayette. Photo by Hal Matson.

Miss Axelson Take Vows

Linda Axelson, daughter of Mr. and Mrs. Vernon Axelson of Orinda, was married to Harry De Witte Murphy in rites performed June 25 in Orinda.

The 2 p.m. ceremony was held in the Orinda Community Church with Rev. Chauncey Blossom officiating.

The groom is the son of Mr. and Mrs. Leonard Murphy of Lafayette.

A reception was held in the garden of the Axelsons following the wedding ceremony. The couple honeymooned in South-east California.

For her wedding the bride wore a white lace and chiffon gown. It featured a sweetheart neckline, elbow length illusion veil with a crown of pearls. Flowers were orchids and stephanotis.

Attendants wore yellow linen sheaths with white organdy and embroidered yellow daisies. Bouquets consisted of daisies.

Attending the bride were Laraine Axelson, sister, as maid of honor; Judy Myer, Orinda, and Marian Galli, San Francisco, bridesmaids.

Best man was Robert Dixon, Hillsborough; ushers were Donald Blosser, Fresno, and Philip Clock, Long Beach.

The mother of the bride wore an Italian silk print in gold and brown tones. A moss green silk sheath was worn by the groom's mother.

The groom is a Stanford University graduate. He affiliated with Sigma Nu fraternity. His bride attended the University of California at Berkeley, and is a member of Alpha Delta Pi.

JUST MARRIED Mr. and Mrs. John Cadwell are photographed during their reception in the garden of the bride's parents. The bride is the former Lynn Henrietta. Photo by Hal Matson.

Festive Luau for Guild

July 15 is the date members of Yosemite Guild of the John Muir Memorial Hospital have reserved for their summer luau. The festive Hawaiian party will be held at the home of Mr. and Mrs. Peter Mattei, Teigland Road, Lafayette.

Upon arriving, members and guests will be greeted by Carol and Karen Knight, twin daughters of Mrs. Allen Knight of Walnut Creek, and will be presented with gardenias and leis.

Appropriately titled "Hoolaulea Nui" or "A Gathering for Fun," the party will start at 6:30 p.m. with cocktails. Accompanying will be teriyaki served from the garden grill.

Dinner will start at 8 p.m. and will be served in luau style

with guests seated at low tapa cloth-covered tables. They will receive large colorful menus from which they may look over the list of tantalizing foods offered.

The dinner will consist of chicken luau, pork fried rice, baked bananas served wikipiki, Hawaiian salad waipapa, shrimp salad, ipuaha boats waini (fresh fruits with wine) and coffee.

Dancing until 7 a.m. will climax the evening's activities. Decor will be in keeping with the Hawaiian theme. Fish nets decorated with sea shells, gardenias afloat in the pool and bright tiki torches will all make for a "native" atmosphere in the gardens of the Mattei home.

"It is hoped that members and guests will come appropriately attired either as natives or tourists," said Mrs. William Palmer, chairman of the luau. She adds that bids are limited and are obtainable by invitation only.

Entertainment will be provided by the "Hawaiian Starlighters." Accompanying them will be Tahitian dancer, Tiara.

This is Yosemite Guild's largest fund-raising event of the year, and all 27 active members of the guild are at work to make this party a success.

Mrs. Palmer will be assisted by the following committee chairmen: Mrs. Lloyd West, decorations; Mrs. Don Campbell and Mrs. G. C. Engelman, food; Mrs. Lyall Bishop, entertainment; Mrs. Neal Campbell, properties and set-up; and Mrs. Horace Firth, publicity.

Yosemite is one of 12 guilds of the Women's Auxiliary of the John Muir Memorial Hospital, and proceeds from "Hoolaulea Nui" as well as proceeds from activities of all the guilds go directly to the hospital.

Yosemite's members are predominately from Lafayette, although the roster includes women from Walnut Creek, Concord, Martinez and Moraga.

Warm Summer Days Bring Forth Blooming Brides, Happy Grooms

A JUNE WEDDING for Mr. and Mrs. Jerome Edwards, who were married in Walnut Creek recently. The bride is the former Judith Larsen of Walnut Creek. Photo by Ted Gurney.

SUSAN BALL and James Syar will wed in October. They announced their engagement recently at a family cocktail party. Photo by Ted Gurney.

Women in The Sun

FRIDAY, JULY 14, 1961

GEORGE HARRISON of Orinda exchanged wedding vows with Susan Jean Murray, also of Orinda, in St. Stephen's Episcopal Church July 1. Photo by Hal Matson.

PAUSING FOR a moment in the garden of her parents where the reception took place for them are just married Mr. and Mrs. Robert A. Redmon, wed June 24. Beem Studio Photo.

Susan Ball Betrothal Is Told

The daughter of Mr. and Mrs. Gordon H. Ball, Susan Lucilaire, recently announced her engagement to James Milton Syar of Vallejo.

Susan, of Danville, attended San Ramon High School and Diablo Valley College. She was an East Bay deb in 1959 and a member of Job's Daughters.

The engagement was announced at a cocktail party July 8 in the garden of the home of the future bride. Close friends and relatives attended.

James is the son of Mr. and Mrs. C. M. Syar of Vallejo. He attended Vallejo Junior College and graduated from San Jose State College in 1959. He is affiliated with Delta Upsilon fraternity.

A wedding October 14 is being planned.

Philip Dunn Is Married In Stockton

Barbara Joan Heston of Stockton wed Philip Robert Dunn of Lafayette in nuptial rites performed July 1 in Stockton.

The couple married at a 4 p.m. ceremony in Morris Chapel on the University of the Pacific campus. Dr. George Goodwin of Central Methodist Church in Stockton performed the ceremony.

Barbara is the daughter of Dr. and Mrs. Laurence L. Heston of Stockton. Philip is the son of Mrs. Henry Dietz of Lafayette and the late Philip Dunn.

The new Mrs. Dunn chose a formal gown of silk organza and alencon lace. It was designed with a scalloped portrait neckline, short sleeves, a full skirt and chapel train. Re-embroidered lace accented the bodice and skirt.

Borrowed from her matron of honor, Mrs. Samuel (Toni Turner) Morley of Arcadia, was a silk illusion veil which was secured with a wreath of orange blossoms.

Maid of honor was Carole Heston, sister of the bride; bridesmaids were Mary Jo Dunn, sister of the groom, and Heather Adams of Santa Barbara.

All the bride's attendants were dressed in peppermint green street length silk organza over taffeta.

Harold Johnson, Jr. of Rome, Ga., formerly of Lafayette, served as best man.

Ushers were Clem Laufenberg of Fort Belvoir, Va.; William Ausfahl of Danville and Theodore Falk of Turlock.

Mother of the bride wore a moss green silk shantung dress; the mother of the groom wore a pink silk shantung dress.

A champagne reception at the home of the bride's parents was held for 300 guests.

The couple is honeymooning in Canada.

The bride attended the University of California at Berkeley for two years before entering the University Nursing School in San Francisco.

She will receive her bachelor of science degree next June. Dunn graduated from the University of California in January, 1960, with a degree in civil engineering.

He belonged to Delta Tau Delta fraternity and the American Society of Civil Engineers.

Nuptials Wed Susan Murray, George Harrison

Susan Jean Murray of Orinda and George Priford Harrison, also of Orinda, became man and wife in nuptial rites performed July 1.

The Reverend Corwin C. Calavan of St. Stephen's Episcopal Church officiated at the 3 p.m. ceremony.

Susan is the daughter of Mr. and Mrs. Edwin Charles Murray. The benedict is the son of Mr. and Mrs. Robert Darling-ton Harrison.

Both are graduates of Aca-lanes High School. Susan graduated from Stephens College, Columbia, Missouri. George attended Stanford University and affiliated with Beta Theta Pi.

A reception followed the wedding. It was held in the home of the bride's parents on Camino Encinas.

The bride chose a gown of silk organza with re-embroidered Alencon lace bodice with scalloped neckline and chapel length train. The elbow length veil was made of imported silk illusion. Organza petals formed the cap which was topped with imported French orange blossoms from the bridegroom's mother's veil.

Attendants to the bride were: Mrs. Raymond L. (Barbara Jensen) Capra, matron of honor; Mrs. Kenneth S. (Natalie Pray) Defebvre; Mrs. Harry (Georgianne Watkins) Miller; Susan Libby and Eve Newell, all bridesmaids.

Best man to the groom was Michael E. Zeller. Robert D. Harrison, Jr. was head usher; Richard K. Kingsley and James C. Small also ushered.

The bride's mother wore blue silk organza with matching accessories; the mother of the groom wore champagne linen knit with applique flowers and green accessories.

After a Carmel honeymoon, the couple will live on Ellsworth Street in Berkeley.

Miss Hacker Will Wed August 27

Diane S. Hacker, daughter of Mr. and Mrs. E. N. Hacker of Lafayette will marry Joseph Budd Stevens August 27.

Diane graduated last June from the University of California where she was affiliated with Alpha Gamma Delta sorority.

A former graduate of Aca-lanes, she has completed a graduate year of student teaching and has been engaged by the Sleeping Giant High School in New Haven, Conn., to teach English next semester.

Joseph Budd Stevens is the son of Mr. and Mrs. David W. Stevens of Huntington, West Virginia.

He is a graduate of Washington and Lee University in Lexington and was affiliated with the Kappa Sigma fraternity, graduating Phi-Beta-Kappa magna cum laude.

At present he is enrolled in his third year of medical school at Yale University.

Tau Omicrons Bid Farewell

A farewell party was recently held by Tau Omicron chapter of Beta Sigma Phi for Mrs. Ray Ferrari. Her husband has been transferred by Bank of America to a new position in Santa Maria.

The party was held at the Lafayette home of Mrs. Charles Hultberg and included cocktails and dessert. A gift was presented to Mrs. Ferrari, who is a past president of the chapter and active in many of the club's activities.

Those in attendance were Mesdames: Berwin Berlin, Dan Torres, Bob Werum, Martin Rockey, Herb Olson, Tom Beaudet, Ray Bohner, Bob Burns, Ray Ferrari and Charles Hultberg.

Pre-Debs Swirl Through Summer Time Parties

The summer calendar is getting crowded for local cotillion members who'll debut at the December 22 winter ball.

Dr. and Mrs. John Gompertz will honor Cherie Sharp, daughter of the James Sharps of Orinda with a luncheon, swimming and tennis party at their Orinda home July 20.

The spacious Moraga estate of the George Monroe Greenwoods will be the setting August 19 for a dinner and swimming party honoring their great niece, Suzette Abbot. She is the daughter of the junior Samuel Abbots of Diablo.

Another circled date on the social boards is still another dinner, swimming and dancing bash to be hosted by Dr. and Mrs. Stephen Jensen at their Charles Hill, Orinda home in honor of Cherie Sharp.

Recently the Mrs. LeRoy Krusi feted her deb daughter Susan with a luncheon and swimming party at the family's Lone Pine Ranch residence in Diablo.

Michael Desch To Wed in Fall

A recent dinner party at the home of his parents in Lafayette revealed the engagement of Michael W. Desch.

The forthcoming marriage of their son to Martha V. Bunce has been announced by Dr. and Mrs. W. D. Desch, 835 Moraga Road, Lafayette.

The groom-to-be is a senior at California State Polytechnic College in San Luis Obispo, where he is majoring in technical arts.

His fiancée, the daughter of Mr. and Mrs. Homer T. Bunce of El Segundo, is also a senior at California State Polytechnic College, where she is majoring in elementary education.

She is a member of the Women's Glee Club and is also an accompanist. Before coming to Cal Poly she attended the University of California at Santa Barbara and was affiliated with Sigma Kappa. Martha was graduated from El Segundo High School with the class of 1958.

The wedding date has been set for early September.

Pat Berrien Named Representative

Pat Berrien of Orinda was elected Grand Bethel Representative of Michigan of Grand Bethel, International Order of Job's Daughters for 1961-62.

She is a student at Diablo Valley College. Miss Berrien is a past honored queen of Bethel 195, Oakland.

She was elected to her new post at the recent three-day convention held in Sacramento.

LT. AND MRS. John Vernon Wolcott, recently wed in Danville, will reside in Cheyenne, Wyoming, until the groom completes his tour of duty with the Air Force in October, 1961. Photo by Hal Matson.

Stan White Takes Vows

Wed June 25 in Alameda were Stanford White of Lafayette and Elizabeth Baker of Alameda (above).

The couple was married in noon-time rites read by Reverend Franklin Scott of the Santa Clara Avenue Methodist Church, in which the ceremony was held.

Attending the couple were Mr. and Mrs. Raymond Clark of Hayward. Ring bearer was

the young son of the former Mrs. Baker, Robert. Her daughter, Elizabeth Ann, was flower girl.

White has two daughters, Mrs. Shoren (Terry) Fenton of Lafayette and Mrs. Robert (Sandra) Crabtree of San Luis Obispo.

A reception was held for the newlywed Stanford Whites in the church social hall. They are residing in Lafayette.

Sizzling Weather Sends Orinda Teens to Pools

By ANN LINCOLN and KITTY MIKA
Phew! It's going to be a long, hot summer or so it seems as we sit on the Park Pool lawn, in the midst of thousands of screaming, splashing little kids, trying desperately to meet our deadline.

At last Orinda teen-agers have been blessed with an open-air pavilion in which to congregate on these sizzling summer nights—La Val's Pizza Villa at Rheem. While there one can't miss Bobbie Lyman and Dannie Souza clearing off tables and Brad Harlan throwing pizza dough around. The opening night started out with a bang! Could it be that you're scared of firecrackers, Bobbie?

Some of those gathering there the first night were Mike McQuaid, Jack Gilbert, Pam Pearson, Wendy Wilcox, Don Navone, Scott Huntley, Paul Locklin, Doug Knudsen, Jo-an Scholberg, Betty Schoppe, Karen Stafford and Jo-an Warner.

THE COUNTRY CLUB started out the summer season with a dinner-dance June 24. Some having a good time were Connie Kroll, Bill Rahmeyer, Karen Nattress, Mike Neuman, Clint DeWitt, Barbie Brush, Bob Lyman, Sherry Wallace, Carol Gilmore, Brad Peter, Kathie Calhoun, Charlie Blue, Bob Merriam, Joyce Odenthal,

Sandy Coates, Sandy Cutler and many more too numerous to mention.

Every Thursday night from 8 to 11 teen-agers from Orinda are welcomed to the Park Pool dances. Come and enjoy dancing, swimming and refreshments for only a quarter.

Bob Hecox had an all-day swimming party on the Fourth of July. Among those swimming and eating the food the girls had prepared were Sue Nattress, Rollin Mack, Kathie Prince, Brad Olsen, Steve Bradley, Carol Knudsen, Dave Rhoda and Pam Oakes, who is staying with Ellen Van Voorhis.

THE WARM weather drew some senior couples to San Gregorio for a beach party. Linnet Trefts, Steve Miller, Mike McQuaid, Sharon Nielson, Kitty Mika, Grigg DeWitt, Roger McCosker, Jo-an Scholberg, Brad Peter, Betty Schoppe, Sherry Odenthal and Dwight Thompson spent the day throwing and eating sand. The boys learned a lesson about throwing artichokes, though, didn't they, Betty?

Dave Puttee had a party about a week ago. Some of those enjoying themselves there were Kay Keilly, Greg Peterson, Mike Calhoun, Janice Fowler, Diane Hallsted (back from Cincinnati for a visit), Dave Coker, Pat Barnes, Roger Cline and Jo-an Barnes.

Hap Parks, Linda Tiefert, Bob Lyman and Sherry Wallace spent the day in Santa Cruz a few days ago enjoying the beach, the sun and the boardwalk.

TO CELEBRATE Chris Comb's homecoming, he, George Hauer and Hall Klement got together for a party.

Nobody could help but notice Jane White's '60 red T-Bird convertible! Is it really yours, Janie?

Members of Ailanthus have been volunteering their time to visit children in the Children's Hospital. Some of those helping out are Wendy Minor, Lana Dressler, Karen Stafford, Barby Brush, Hester Harris, Sue Hancock, Bonnie Kent, Mimi Loomis and Barb Reynolds.

Brenda Hodges had an open house party last Wednesday night to celebrate her departure for Hawaii.

Skip Spaich is sporting a new metallic blue '56 Ford which he bought from Dick Guthrie, and Mickey Kazaar is getting a '60 Corvette, white with red interior. WOW!

Sherry Odenthal is on a three-week cruise up the Inland Passage on a sailboat working as a dishwasher.

TARA DOTY and Sue Hancock are spending ten days camping and water skiing at Mount Shasta.

Paul McChesney and Dick Miller are working in the forestry service and Keith St. Claire is working in Petaluma.

Katy Jones has left for a year in Europe. The Jones family is living in Switzerland and is traveling through France, England, Italy, etc. It seems the junior girls really turned on the waterworks at the airport when she left.

Karen Rigor has left Orinda to live at Tahoe. What a life! Others vacationing at the lake have been Nancy Englehard, Mary Baker, Dee Dee Davis, Ann Lincoln, Steve Miller, Skip Spaich, Johnny Cooper and Greg Peterson.

Viewing the fireworks at Lake Merritt on the Fourth of July were Dave Parrish and Jane White with Sharon Nielson, Jo-an Scholberg and Betty Schoppe hanging out the back window. Also there were Nancy Bregar and Robert Boyle.

A call from anyone with interesting info to CL 4-8595 or CL 4-2940 will be greatly appreciated.

Doctorate Bestowed

A former Orinda resident, Dr. Frank M. McMillan, was awarded an honorary doctor of science degree from Monmouth College in Monmouth, Ill.

McMillan is manager of research and development in Shell Chemical Company's plastics and resins division in New York.

He was awarded the degree in recognition of his contributions to industrial chemistry. He is directly responsible for over 20 patents assigned to the company and has contributed many articles to scientific journals.

McMILLAN began his career with Shell as a research chemist at Emeryville Research Center. Prior to his present position, he was head of the organic chemistry department.

He is a graduate of Monmouth College in 1934. He received his Ph.D. degree in organic chemistry from Stanford University in 1937.

State AAUW Will Convene in Local Home

Officers and appointed chairmen for the California State Division, American Association of University Women, will convene at the Walnut Creek home of Mrs. Neville T. Massa, state president, next Friday and Saturday.

Mrs. Massa lives at 1611 Orchard Lane.

Plans will be made for the implementation of the 1961-62 study program, adopted at the state convention in San Diego and the national convention in Washington.

Mrs. MASSA will report on the national study program as adopted at the Washington meeting. The three new officers elected at the state convention will attend.

They are: Mrs. James Dent, Concord, treasurer; Miss Fritz Martin, South Pasadena, first vice president, and Mrs. Winifred Westcott, Whittier, second vice president.

Mrs. Jude Wins Diablo Guest Day Tourney

Mrs. M. Jude was the low gross winner of medal play at the Diablo Women's Golf Group Guest Day tournament held last Thursday.

She shot an 80 to capture the first position.

In Class A the winner was Mrs. G. C. Geisert with an 85-17-68.

Mrs. Forrest Knight was in second place with a score of 96-17-69. In third place was Mrs. Art Anderson, shooting an 87-14-73. Mrs. R. Stenzel took fourth place with an 86-11-75.

Mrs. Byron Royce was the first place winner in Class B, firing a 92-21-71.

In second place was Mrs. Larry Tinker with a 91-19-72. There was a four-way tie for third place.

Mrs. William Barlow and Mrs. Frank Perry each shot 93-18-75 while Mrs. Fred Alexanderson and Mrs. Nelson Stewart fired 96-21-75 to complete the four-way tie.

The first place winner in Class C was Mrs. Nathan Heskin who shot a 94-24-70.

Two strokes back in second place was Mrs. Mark Hull with a 97-25-72.

Mrs. Art Brunkhorst with a 95-22-73 retained the third place position. In fourth place was Mrs. Frank Ivaldi, scoring a 98-24-74.

There was a two-way tie for fifth between Mrs. Charles Cooper, 99-24-75, and Mrs. Robert Wolf with a score of 98-23-75.

Mrs. Gil Kufahl won first place in Class D. Her score was 95-28-67.

Coming in second was Mrs. Robert Braddock, shooting a 97-26-71. In third place was Mrs. Frank Smith, firing a 99-27-72, only one stroke back of second.

Mrs. M. B. Dowd captured fourth place in this class with a 102-28-74. Tied for fifth place were Mrs. Bert Sandburg with a 101-26-75 and Mrs. John Osmundson, scoring a 106-31-75.

Mrs. Frank Wright scored a 106-32-74 to take first place in Class E.

Mrs. Harlan Geldermann was close behind in second with a 108-33-75. Mrs. Howard Crandall also scored a 108-33-75 to gain a tie with Geldermann for second place honors.

Mrs. Frank Rossi grabbed third place, a stroke ahead of the fourth place finishers, with a 109-32-77. In another tie for fourth place were Mrs. Robert Hammond with a 113-35-78 and Mrs. L. Stone, shooting an identical 113-35-78.

Taking part in this Guest Day tournament were 91 players from 11 outside clubs and the Diablo Women's Group.

LeLoy's Win Firsts In County Fair

Mrs. Bertha LeLoy and Mr. Alfred LeLoy, Jr. of Lafayette were winners at the Alameda County Fair in Pleasanton recently.

Both were first place winners in the Amateur Floriculture Cut Flowers and Arrangements at the fair.

Mrs. Douglas Martz, Carmel, is the new historian.

MRS. RICHARD Betzenderfer of San Francisco, formerly of Walnut Creek, is legislative chairman.

Mrs. John Jay Thomas of Castro Valley, new public relations chairman, will attend the planning session for the first time.

Other Bay Area women who will attend are Mrs. Elwood Johnson, state corresponding secretary, Castro Valley; Mrs. Samuel Jackson, Alameda, administrative assistant, and the following study program chairmen: Mrs. Richard Drake, Saratoga, elementary and secondary education; Dr. Elizabeth Bauer, Berkeley, higher education; Mrs. Ed-

ward Moraes, Belmont, fellowships, and Mrs. Roger Winegar, Aptos, international relations.

Plans will be completed for workshops and state board of directors' meetings will be held September 22 and 23 in Walnut Creek and Concord; October 6 and 7 at Palm Springs, and March 2 and 3 in Bakersfield.

THE YEAR'S work will be concluded at the state convention in Sacramento, May 17, 18 and 19.

Mrs. Massa noted that the threefold purpose of AAUW was reiterated at the national convention as 1) the need for women to continue to grow intellectually, 2) to work for the advancement of women, and 3) consideration of the special responsibilities to

society of educated women. She cited that Dr. Pauline Tompkins, general director of AAUW, said, "The success of democratic government in its appointed task will turn in the last

analysis on the validity of the democratic philosophy.

"There is no absolute way of determining this. The most we can do is to assess the strength of the system in terms of its response to the problems confronting it in the course of time.

"THIS IS another way of saying that democracy is an experiment which is still going on. It is not a state of being. It is a

philosophy. "This suggests that the individual in whose interest government is established must himself vindicate the democratic

philosophy. "He does this in the degree to which he actively identifies his inalienable rights with his equally inalienable responsibilities."

Baldwin Asks For Relaxation Of Federal Rule

Representative John Baldwin has asked the Federal Government to relax its requirements, allowing Contra Costa to qualify for a \$62,000 federal grant for civil defense without enlarging

its clerical staff.

District attorney John Nejedly read Baldwin's letter to the board of supervisors, who last week voted against the clerical increase.

The requirement is the addition of a coordinator and a typist clerk for a total annual cost of \$12,000.

Nejedly again warned the su-

pervisors that this sort of thing can lead eventually to the loss of all local control over such programs.

The United States actually declared itself officially independent two days before the Declaration of Independence was adopted. World Book Encyclopedia reports that Congress approved on July 2, 1776, a resolution by Richard Henry Lee that "These United Colonies are, and of right ought to be, free and independent states."

Sheriff's

Air Reserve Picks Officers

Officers have been elected by the new Sheriff's Air Reserve, it was announced.

They are Capt. Milan Haven of Walnut Creek, squadron leader; Lt. Fred Anthon of Concord, executive officer; Lt. Ralph Bradley of Concord, mobilization officer; Capt. Tom Ferguson of Pittsburg, information officer; Lt. John Ibanez of Concord, administrative officer.

Capt. Marvin Lehman of Walnut Creek, maintenance officer; Capt. Harry Misch of Concord, medical liaison; Capt. John Nejedly of Walnut Creek, legal officer. Lt. George Stroub of Walnut Creek, organizational officer.

Scout Mothers' Club Plans Swim Party

The Mothers' Club of Lafayette Boy Scout Troop 204 will hold their monthly meeting Tuesday at the home of Mrs. Mary Dankas, Las Trampas Road.

Following luncheon, there will be a short business meeting. The remainder of the afternoon will be devoted to a swim party for the mothers.

Hot Weather--No Fish; Dog Show at Antioch Sun.

By LARRY JACKSON

Spotty fishing all along the river front this week. The "hottest" action of the past week has been on sturgeon. Boat owners out of McAvoy's Harbor report large schools of the sturgeon basking and sporting on top of the water. Very unusual for these bottom feeders.

One of our boating pals, Keith Anderson from McAvoy's, reported he had never seen so many sturgeon in years and never before so many topside.

Whether they were chasing bait fish or were trying for more oxygen during the hot spell—your guess is as good as the next one. Keith had been trolling for bass in deep water when he noticed the water boiling with fish closer to shore. He took off the trolling lead and surfaced bait and tangled with a sturgeon just too big to handle with his gear.

So with a broken rod and no replacement he cruised around the fleet ships, buoy 15 into the Suisun cutoff and other spots, and watched the antics of the fish. Several undersized were taken and released by other boaters with only one legal fish a bit over 56 inches being docked over the weekend.

Striper fishing has been poor in this area during the hot spell as well as "cats" and there are still plenty of dead fish floating in the waters off shore.

White's Fishing Resort had fine crowds over the past weekend, but the bait fishing was slow. Plenty of non-keepers showed up, but only a few in the keeper size were docked. Flounder furnished the top sport for the week except for a shark taken off the pier by young Sandy Hering—that guy must have been lost. Sandy said he was when he got him. Smart kid.

Crowds showed an increase at Dowrelio's, but too many held off with the hot weather. Bait fishing is a lost art here with only the trolls taking the fish. Several nice limits in the 8-10 pound class were registered. Here too we heard numerous complaints of more dead fish in the water.

We called the Boys at EFF N' GEE and were informed that they had made both acid tests and oxygen tests with results that did not prove harmful to the fish.

Acid tests were made in the Antioch area and while the acid count was a bit high it was still below the harmful area and no pollution, in excess, was found. Tests run in shore for oxygen showed a shortage of oxygen but the deep water runs showed an over abundance of requirement. To date none has come up with a logical solution to this fish mortality rate. It is much higher than former years and the pollution angles seems to be negligible Trout and bass fishing seems to have been off the calendar the past weekend as few of the addicts ventured out and those that did only had "sad" stories.

The Contra Costa County Dog Show at Antioch last Sunday proved a real winner.

Many local dogs were entered and gained more than their share of ribbons and trophies.

The show put on by our good friend Harold Jones after the kennel events really put the frosting on the cake. Several of the "top" Springer Spaniels of field championship calibre, staged a fine exhibition of field work on the handling of game in the field. Top work was recorded and the audience more than enjoyed watching these eager spaniels strut their stuff. Thanks Harold.

Speaking of Springer Spaniels—and we were—our good friends Juanita Waite and Bert Howard of the Watercock Kennels in Lafayette, carried off the top honors of the breed in the judged events.

Best of breed went to CH. Waitecock's Elmer Brown—best of opposite sex went to CH. Waitecock's Tarra and Elmer came along to take best of sporting breed. Quite a bit of hardware to grace the kennel's trophy room as well as excellent wins for the breeding line.

Really top stock in the breed as the Howards have had several field dogs taking wins and good solid placements.

This Elmer Brown dog is quite a champ. His recent wins were six specialty shows in one month—defeated 47 entries in Richmond—15 specialty dogs at Santa Monica and 45 as well as six specials at Long Beach. Truly a champ.

As we put this into the "press mill" we will be attending the W.C. Sportsmen's Club inaugural dinner. Know we are going to have a nice time as the gals are invited and the program of entertainment rates a top score. We are set to see our old friend Jim Buck in the alternate driver's chair.

The Cruz family will present several fine reels of island films and Mike Dwyer, one of the area's better sportswriters, will install the incoming group of officials.

But more about this next week.

Orinda Upsets Richmond In American Legion Play

Orinda virtually knocked North Richmond out of the American Legion title chase with a 10-5 victory Saturday at the Miramonte High School field.

It was only Orinda's third victory of the year.

It was North Richmond's fourth loss and put them three games off the pace.

Martinez leads the loop with a 9-1 record. Concord is close behind with a 9-2 mark.

Walnut Creek picked up its fourth win of the season Saturday by defeating El Cerrito, 8-4, in 10 innings.

Both Orinda and Walnut Creek lost Sunday games.

LEGION STANDINGS			
	W	L	GB
Martinez	9	1	
Concord	9	2	½
No. Richmond	7	4	2½
Rodeo	5	4	4½
Walnut Creek	4	7	5½
El Sobrante	3	7	6
Orinda	3	8	6½
El Cerrito	2	9	7½

ORINDA dropped an 11-10 decision to Rodeo and Walnut Creek was subdued by Concord, 7-1.

John Paul Jones hurled the first seven innings for Orinda and was credited with the win over North Richmond.

Orinda jumped off to a 4-0 lead and led 8-1 after six innings of play.

Bruce Nickerson paced Orinda's 12-hit attack with three singles.

John Day had two hits, one a two-run triple. Steve Kosach also had two hits for Orinda.

Walnut Creek came up with

two runs in the ninth innings at El Cerrito to tie the game at 4-4 and then scored four more in the 10th for the win.

SAM THOMAS went all the way for Walnut Creek. He gave up 11 hits while his teammates were collecting only nine.

Bill Howerton had three hits and drove in four runs. His two-run double in the ninth sent the game into overtime.

Dave Clark had two hits for the winners including a two-run double in the big tenth inning. Howerton's single drove in a third run in the tenth.

Orinda fell behind 11-2 to Rodeo Sunday before two four-run rallies closed the gap late in the game.

Jones hit a three-run triple in the seventh and then scored on Kosach's single to make the score 11-6.

Orinda scored four more runs in the ninth with none out. Trying to score the tying run, Kosach was tagged out at home plate as the squeeze play backfired.

CATCHER Dave deVarona also was cut down at home in the ninth as he tried to score the tying run on a fly ball.

Kosach had three of Orinda's nine hits.

Concord scored four times in the first inning off starter Doug Sizemore of Walnut Creek, then added single tallies in the second and third for an early 6-0 lead.

Walnut Creek's only run came in the eighth when Dennis Wallen singled, Jim Botti doubled and Dave Clark singled.

Aquabears Swim To 4 Jr. Olympic Meet Records

Dick Jacobberger and Chares Schillinsky paced the Aquabear swim team at the AAU Junior Olympic Long Course Swimming Championships held last weekend in Redding.

Jacobberger set two new records in the meet.

His times of 57.8 in the 110-yard freestyle and 1:04.6 in the butterfly provided the new records. The old records were 58.5 and 1:05.7, respectively.

Schillinsky set a new record in the 220-yard individual medley with a time of 2:31.2 breaking the old record of 2:32.0 set by Ralph Kendrick.

Schillinsky also took first place in the 55-yard freestyle and Jacobberger took first in the 440-yard freestyle and the 220-yard freestyle.

These boys were in the 15-16 year old age group.

PETER SCHNUGG won a first place in the 55-yard freestyle for the 10 and under age group for the Aquabears.

Doug Duke had a first in the 55-yard butterfly event for the same age group.

The team of Dick Jacobberger, Charles Schillinsky, Tom Jochmus and Larry Flick took a first in the 220-yard free relay.

The same team with Harold Sedgewick in place of Jochmus, set a new record time of 2:05.1 in the 220-yard medley relay.

THE AQUABEARS finished first or second in every relay event they entered. In all the team picked up five firsts in the relays and five seconds.

The team was not entered in the 10 and under events or the girls 15 and 16 age group events.

Don Moore, Gordon Hollingsworth, Eric Poor and Ed Jochmus won a first in the 220-yard free relay in the 11-12 year old age group.

The same foursome walked off with the 220-yard medley relay as well.

Susan Boulware, Heidi Ross, Pat Schwiers and Lea Hughes took a first in the 220-yard medley relay for girls 11 and 12.

Rheem Bowl Offers Free Instruction

The Rheem Bowl will offer a "Free School of Bowling" starting the week of July 27, Monday through Friday at 10 a.m. and 1 p.m. each day.

All housewives and boys and girls 8 to 18 are invited to take part in the program.

Those participating in the "school" will be able to participate in the Rheem Winter Leagues.

Babysitting service will be provided free during instruction clinics and leagues.

WC Bows Out of NBC Tourney, 4-3

READY AND EAGER to start play in the new Connie Mack League are the two teachers and two star pupils of the Sports & Games team. Mel Alamano (left) and Red Gillham (right) will be banking heavily on the pitching of All-Foothill League hurlers Bill Remy (second from left) and Tom Strain (third from left).

Sun photo by Jere Hageman.

S&G Power Turns Back Martinez Legion, 14-7

By HEC HANCOCK

The Sports & Games Inc., baseball team of Walnut Creek jumped on the visiting Martinez American Legion team and pounded out a 14-7 victory last Sunday at Civic Field.

The win brought the current Sports & Games win streak to three and set the stage for their entry into a new Connie Mack League.

Tomorrow the Sports & Games group, representing the Walnut Creek area, will make its debut in a newly established Connie Mack League.

On the basis of its play in recent weeks, the local entry has to be figured as a serious contender for top honors.

Over the past two weeks the

team has hit with authority, its fielding has improved and the pitching has been adequate. As is the case with most teams, a little more pitching depth would be desirable.

LAST SUNDAY, the Sports & Games team picked up six runs in the first inning, led by a margin of nine after two frames, and then coasted to the win.

Bill Remy started for the local group and was credited with the win.

In view of the broiling July sun, Tom Strain came on after six innings to spell Remy.

Through their combined efforts, the Martinez Legion team, undefeated in legion play, was limited to six hits.

Reflecting the power that has

Merchants Blow Big 9th Inning Chance for Win

The Walnut Creek Merchants bowed out of the National Baseball Congress State Tournament last weekend in San Rafael, losing to the Melody Ramblers of Richmond, 4-3, in 10 innings.

Earlier in the week the San Rafael Merchants, 8-2, after winning the opener of the double elimination tourney, 9-8, over the El Paso Plumbbers of San Anse mo.

The Humboldt Crabs of Eureka won the first half of the tourney, downing Acme Carpet of Oakland, 6-1, in the final game Monday night.

Eureka will face the winner of the second half which starts July 28 for the state championship in a best two of three series.

The winner of the series collects \$1000 and the right to represent California in the National NBC tournament at Wichita in August.

The national champion collects \$10,000.

THE MERCHANTS blew a golden opportunity to reach the semi-finals of the tourney in the game last Friday night.

The Merchants had the winning run on third base with only one out in the bottom of the ninth, but failed to score.

With Roger Cowell streaking for home on the suicide squeeze, Mike Kritscher and then Terry Seiberlich fouled off their bunt attempts which would have meant a Merchant victory.

Kritscher finally walked to load the bases with one out.

Seiberlich then went down swinging for the second out and Bob Morris did the same to end the threat.

The Merchants had scored earlier in the inning to tie the score at 3-3.

Leading off, Jim Maggart reached first on the shortstop's fumble of his easy ground ball.

George Colburn then sacrificed Maggart to second, where he rode home on Cowell's line single to centerfield.

Cowell went to second on the throw to the plate.

Dick Dodge followed with another single, but Cowell had no chance to score and stopped at third.

Merchants had fallen to the DODGE moved to second when the pitcher wound up, but both he and Cowell remained on the base paths as the next three batters failed to come through in the clutch.

The Ramblers wasted no time getting the go-ahead run in the 10th.

The lead-off batter smashed a single to right field and kept going to second as Colburn fumbled the ball. The next batter followed with a double to center field and that was the game.

Manager Joe McEroy, the hitting star of the tournament for the Merchants, walked to start the Merchant 10th, but he died there as the next three batters went out in routine fashion.

Kritscher went the distance for the Merchants and deserved a better fate.

The Ramblers scored unearned runs in the first and second to grab a 2-0 lead.

The Merchants got one back in the third on Cowell's single and Kritscher's long double to left-center.

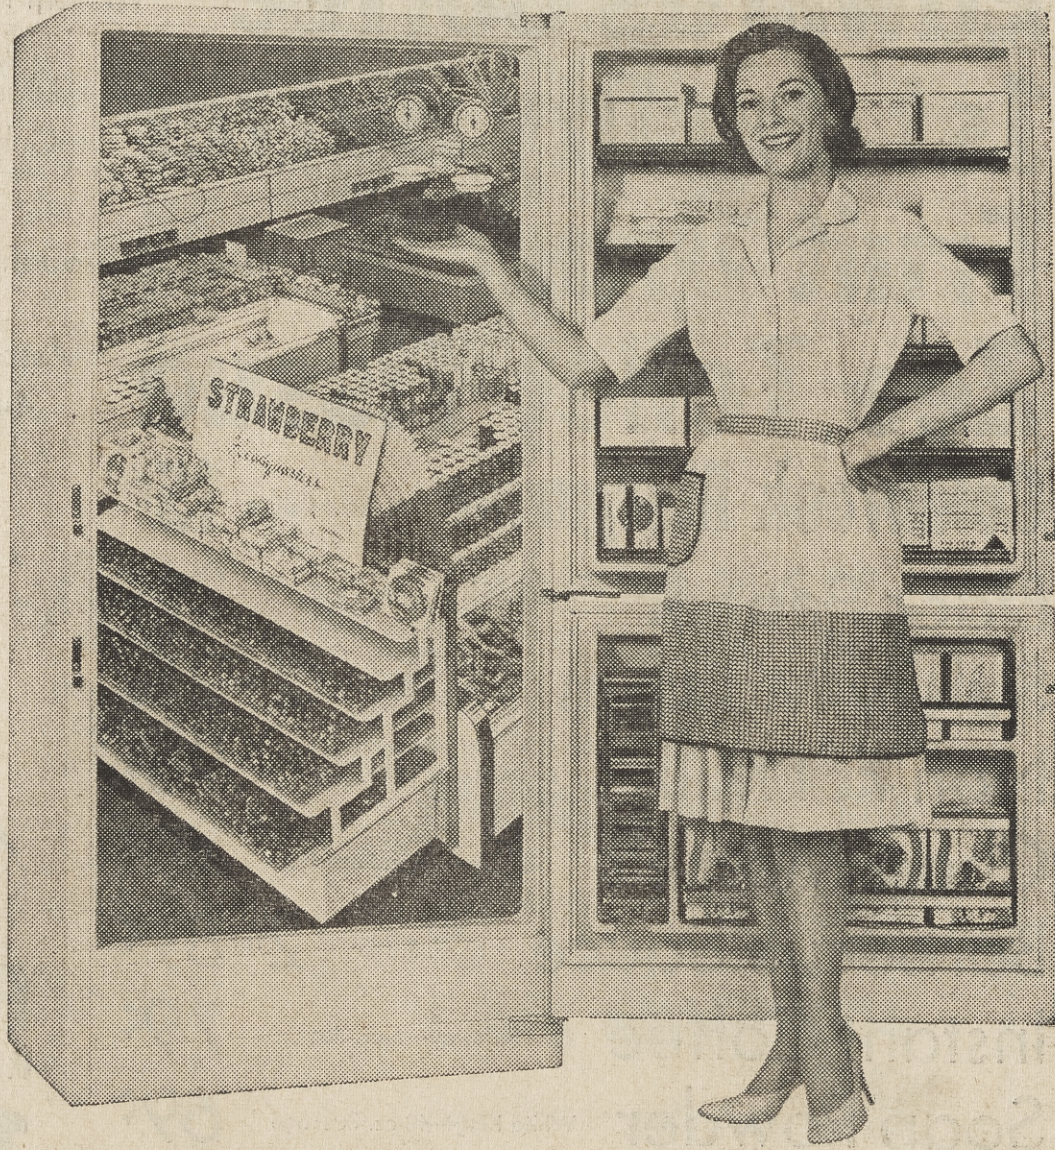

McELROY tied the game in the eighth with a two-out single that scored Morris from second base.

The Ramblers went ahead in the top of the ninth, but the Merchants fought back to tie it again and come close to winning in the bottom of the inning.

2 Local Divers Win Top Places In Jr. Olympics

Mike Sullivan of Orinda won the Junior Olympic Diving Meet for the third year in a row last weekend in Redding.

Claudia Lehto of Lafayette, who has shown much promise in her year and a half of competitive diving, won second place in the meet.

School Expenses Increase 12.8 Per Cent in Year

California's 1,734 school districts spent \$1,474,881,000 in 1959-60 to operate schools for an average daily attendance of 3,353,233 pupils.

State Controller Alan Cranston said the total general fund expenditures of the districts represent a 12.8 per cent increase over the preceding fiscal year.

The figures, plus a multitude of others, are contained in the recently issued controller's annual report on school district financial transactions.

Cranston said general fund income for the districts amounted to \$1,484,681,000, an increase of 11.1 per cent over 1958-59.

District taxes accounted for 53.4 per cent of the income, apportionment of state funds for 41.8 per cent, federal subventions 2.3 per cent and other sources 2.5 per cent.

The report shows bonded indebtedness as reported by 1,208 districts totaled \$1,835,060,000.

The districts reported expenditures of \$151,778,000 for bond retirement.

Of that amount 65 per cent went for bond redemption and 35 per cent for interest.

Approximately two-thirds of the general fund expenditures were for salaries of certificated and non-certificated school personnel and other direct costs of instruction.

Operations and maintenance of school plants, transportation, capital outlay and other expenses made up the balance.

Building fund expenditures totaled \$406,500,000.

Board Members Visit Lindblad

Executive board members of Mt. Diablo Boy Scout Council and their families will visit Camp Lindblad, near Boulder Creek in the Santa Cruz mountains, for their July meeting, according to Duncan Knudsen, president.

At this time a tour of the camp will be made under the direction of Leonard Ziegler, summer camp director and Brooks Kuehl, program director.

A considerable number of physical improvements have been made, facilitating the use for more scouts this year.

A new road has been constructed to the dining hall, hot showers and additional plumbing have been installed, and improvements have been made on the camp water system.

A new rifle range has been put into operation, as well as an improved archery range.

There were more than a hundred in camp for the first weekly period, with scouts coming from Pleasant Hill, Walnut Creek and other Bay Area cities.

Visiting board members will see the second period group of scouts from Troop 303, Lafayette and Troop 219, Walnut Creek.

S. R. School District to Get Fed. Aid

Congressman John F. Baldwin announced today that he has been taken on the application of the Law 874, which provides for financial assistance for schools in federal education of the United States for current ex-erally-affected areas.

The Commissioner of Education has determined that the tentative entitlement for the San Ramon School District for fiscal year 1961 will be \$1,837.

Of this sum \$1,378 is being certified for immediate payment.

Only one delegate to the Continental Congress signed the Declaration of Independence on July 4, 1776, according to World Book Encyclopedia. That was John Hancock, president of the Congress. Most of the other mem-

bers signed on August 2, after a copy of the declaration had been engrossed on parchment.

County Receives Almost \$2 Million from State

Apportionments from the Highway Users Tax Fund totaled \$434,290,501 during the 1960-61 fiscal year, State Controller Alan Cranston reported today.

Cranston said the amount represents an increase of \$20,551,631 over the 1959-60 apportionments. The total allocated to Contra Costa County in the fiscal year which ended June 30 was \$1,835,297.43.

Los Angeles receives far more than any other county. Its share was \$25,622,374.25.

Next in line was San Diego with \$4,265,686.86.

Alameda County received \$3,834,699.64 for third place.

San Francisco was sixth behind Orange and San Bernardino with \$2,791,087.44.

Contra Costa's share was the 11th highest sum paid out among

the state's 58 counties.

The controller said California's 58 counties received \$87,487,516 in allocations during the year.

The largest apportionment—\$311,591,763—went into the State Highway Fund for expenditure on highways, and \$35,211,222 was transferred to the State Highway Fund for ultimate distribution to cities.

The principal source of revenue for the Highway Users Tax Fund is the gasoline tax of six cents a gallon.

Four cents of the six goes to the State Highway Fund for highways. Of the remaining two cents, 1½ cents goes to the counties and ½ of a cent to the cities.

State law requires that the money be spent for construction, improvement and maintenance of highways, roads and streets.

Broadway July Clearance Days Like Christmas

Broadway Shopping Center's
July Clearance Days, which started
yesterday, are the nearest
thing to "Christmas in July" you
will find!

"It's a long way to Christmas,
but Broadway store are load-
ed with sales merchandise, offered
at very special prices," said
B. K. Horne, chairman of the
Broadway Merchants Associa-
tion.

It is Broadway's summer way
of saying "Hello" to new custom-
ers and "Here's a special" for
the loyal shoppers, Horne said.
He added that many of the
Broadway July Days sales are
listed in this paper.

And many other stores are also
offering bargains which will en-
liven your summer-time shop-
ping tour!

Horne added, "We have been
preparing for the July Clearance
Days, and take it from me—you
will see why it is called a clear-
ance sale! We're not foolin'."

Broadway Stores Open In Evenings

Stores in Broadway Shopping
Center are open Monday and Fri-
day nights for your shopping con-
venience.

It's so relaxing and cool to
take care of your shopping in the
evening. Bring the whole family!

And an added convenience is
the Thursday night shopping at
Capwell's, Sears and Simon Har-
dware Company.

Sears and Simon Hardware Com-
pany.

Actually, Simon's is open from
noon to 9:30 p.m. on Monday,
Wednesday, Thursday and Fri-
day.

And Simon's hours on Saturday
and Sunday are 9:30 a.m. to 5:30
p.m.

The United States actually de-
clared itself officially independ-
ent two days before the Declara-
tion of Independence was adopt-
ed. World Book Encyclopedia re-
ports that Congress approved on
July 2, 1776, a resolution by Rich-
ard Henry Lee that "These
United Colonies are, and of right
ought to be, free and independent
states."

174 Safety Separators

NYLON CORD CAN SAVE YOUR LIFE!
• Nylon is more shock-resistant than rayon or rayon. Jet planes are required to use Nylon!
• Nylon is more heat-resistant and blowout-resistant than rayon or rayon!
• Nylon is much safer in "wet strength" than rayon or rayon. Water seepage harms rayon or rayon—not Nylon!
• Actual lab tests show rayon and rayon disintegrate at high speeds where Nylon is still safe!

YOUR CHOICE ANY SIZE 2 FOR \$49
FREE WEIGHTS WITH BALANCE JOB

NOT ONE MORE CENT TO PAY. SAME RUBBER USED ON 707 JET TIRES! TREAD DESIGNED FOR FAST STOPS AND LONGER WEAR. NO DOWN PAYMENT. ALL ROAD HAZARD. NO TIME LIMIT GUARANTEE! AUTOMOTIVE DEPARTMENT

Noted Artist's Work Exhibited

Outstanding examples of the work of Michael Kmit, renowned contemporary artist, will be on exhibit in the St. Mary's College library through October 1.

Kmit graduated from the Academy of Fine Arts in Cracow, Poland, and worked in Italy, France and Germany. At the outset of World War II, he was imprisoned in a concentration camp where he remained four years.

In 1949, he immigrated to Australia. Shortly thereafter, the creative urge that had been frustrated during the war, burst forth in a profusion of vigorous paintings. Critical acclaim followed immediately and Kmit's work has now been universally exhibited. In 1953, he was the winner of the Blake Prize.

Exhibit hours are 9 a.m. to 4 p.m.

Food faddism costs Americans a half billion dollars each year. One ounce of Swiss or cheddar cheese provides you with the same high quality protein obtained from eating one egg, one ounce of meat, fish or poultry.

Just One Try-- But You Can See Results!

Mrs. Rena Graham of 191 Cortsen Road, Pleasant Hill, tried The Sun want ads and in one week sold the following:

Washer, refrigerator, stove, two tables, two chairs, chest, box springs, mattress, dresser, stool, cabinet, lamps, sewing machine, drawers.

It was easy. Just keep your telephone line open!

A. Knight of 1578 Ward Way, Concord, sold his stove.

Keith Marmion of 120 Sequoia, Walnut Creek, sold a studio couch, a coffee table and end tables, Hollywood bed, TV-radio-phone combination, chest of drawers, bicycle, barbecue, chairs, etc.

Mrs. L. O. Williamson of 1676 Arbutus Drive, Walnut Creek,

sold a hide-a-bed, and F. P. Keen of 1057 Oak Hill Road, Lafayette, sold a saddle.

New Law Changes Social Security Regulations

Changes in the social security law signed by President Kennedy directly affect many Contra Costa residents aged 62 or older, giving them social security benefits for the first time or increasing benefits already payable to them. Morgan J. Shea, manager of the Berkeley social security office, reports.

The new law makes the following changes:

1. Men now have an option of retiring at age 62 with lower benefits or of waiting until age 65 and collecting higher benefits.
2. Widows' benefits are increased by about 10 per cent.
3. Minimum benefits are raised.
4. The amount of work under social security needed to get benefits is lowered.
5. People who receive only part of their benefits for a year because they earn over \$1500 will have a smaller amount deducted.
6. Social security taxes go up slightly beginning January 1, 1962.

Under the new provisions, men can begin collecting benefits at age 62 if they choose, just as women have been able to do since 1956. But workers who decide to take benefits before they are 65 will get less per month than they would if they waited until age 65.

The sooner a worker takes his benefits after age 62, the greater the reduction in his benefits will be.

Dependent husbands' benefits, if taken before age 65, will also be reduced, but dependent widowers and fathers can receive full benefits at age 62.

The new amendments raise the aged widow's benefit automatically from the present 75 per cent of the husband's retirement benefit to 82.5 per cent. This is a 10 per cent increase in individual benefits, beginning with the August check received early in September.

The same increase will be made in the benefits of aged dependent widowers and those of aged parents if there is only one dependent parent surviving.

An increase of up to \$7 in the minimum old-age, survivors, and disability insurance benefits is due beginning with the benefit check for the month of August.

The present minimum is \$33; the new minimum payment will be \$40.

Another change lowers the amount of work credit required for old-age and survivors benefits. The new law makes payments possible for a person who has work credit for one calendar quarter for each year after 1950 and up to the year he reaches 65 (62 for a woman).

This means that a man who reached 65 or a woman who reached 62 before 1958 will need credit for only a year and a half of work under social security to qualify for retirement benefits.

SURVIVORS of workers who died in 1958 or later and who were not eligible for benefits before this change may now be eligible. These people should inquire at their social security office soon.

Another change in the law makes it possible for people eligible for social security benefits to earn up to \$1700 and receive more in total earnings and benefits than under the old law.

Under both the old and the new law, a beneficiary can earn \$1200 a year and receive all of his monthly social security benefits.

The old law, though, required \$1 in benefits to be withheld for each \$2 earned from \$1200 to \$1500, and \$1 for each \$1 earned over \$1500.

Under the new law, \$1 is withheld for each \$2 earned from \$1200 to \$1700, and then \$1 for each \$1 earned over \$1700.

Thus, under the new law only \$250 in benefits is deducted when the beneficiary earns \$1700 during the year. Under the old law \$350 would have been withheld.

TO HELP finance the changes, the amendments call for an increase in social security taxes beginning January 1, 1962.

Employees and employers will each pay an additional one-eighth of one per cent on earnings up to \$4,800 a year—a total of three and one-eighth per cent in social security taxes.

Self-employed persons will pay 4.7 per cent on net earnings up to \$4,800 a year, instead of the former 4.5 per cent rate.

The disability insurance program remains unchanged, except that workers with long-standing

disabilities are given another year, until June 30, 1962, to file claims for benefits.

Free circulars explaining the 1961 changes can be obtained at the Berkeley Social Security office, 1990 Addison Street. The telephone number is TH 1-5121.

California farmers lead the nation in the production of quality milk per cow.

The normal person can most easily eliminate excess weight not by cutting out all he enjoys, but by reducing his daily total caloric intake, maintaining a balanced diet.

Future Mom's Offered Red Cross Course

The Greater Mt. Diablo Chapter of the American Red Cross will start a course on mother and baby care at the local chapter headquarters, 2121 Ygnacio Valley Road in Walnut Creek.

This Red Cross program is without charge and is open to all expectant parents in the area. Husbands are especially encouraged to attend with their wives.

The first course is scheduled to start next month and will consist of six meetings, to be held between 7 and 9 p.m. on August 1,

3, 8, 10, 15 and 17. Those persons interested may enroll by calling the chapter, YE 5-7540.

Mrs. Leland Noll, chairman of Nursing Service for the local Red Cross Chapter, will teach the new course.

Mrs. Noll, Eloise to her friends, is the wife of Dr. Leland Noll, a practicing obstetrician and gynecologist in Concord. She is a registered nurse and the mother of six children, including two sets of twins. Mrs. Noll is a native of Minnesota but was raised and educated in Huntington Park, California.

She graduated from nursing training at the Los Angeles County General Hospital in 1948. She later took a post graduate course at the University of Southern California.

Mrs. Noll has been an active Red Cross volunteer since 1950 when she was with the Whittier Chapter Bloodmobile program. She completed her course in Mother and Baby Care of the Sick in 1956 and 1957, and has been active in those services since, both in California and at Air Force bases in England.

Here's How Workshop Helped Al and Mary

What is a "sheltered workshop?" Can anyone find "employment?" These are a few of the many questions asked of the Mt. Diablo Therapy Center.

When a man called Al was sent to the center, he didn't know these answers and what is more he didn't have the interest to ask the questions.

AL WAS a salesman in his early forties who worked with all the vigor and enthusiasm of a man

There she learned to use an electric typewriter and operate a switchboard. Under the auspices of the State Vocational Rehabilitation Services she entered the Sheltered Workshop for clerical training—keeping books, paying bills, typing statements. Today she is employed as a skilled secretary, a young woman with a promising career.

HOW ARE these two people and many, many others returned to productive lives in spite of overwhelming odds to the contrary? A major role in this accomplishment is played by the Sheltered Workshop.

One of the first of its kind on the Pacific Coast, the Sheltered Workshop became a part of the rehabilitation program at the Mt. Diablo Therapy Center in 1952.

It is designed to develop handicapped persons to their maximum abilities in a useful skill through coordinated therapy. With this goal in mind, the patient may return to the community, obtain employment and become self-supporting.

In the beginning the shop consisted of one room and one man. Today, the shop serves approximately 30 clients who work on several contracts from business and industry in a building adjacent to, but separate from, the main center.

WORKING as an enthusiastic team these men and women strive to set higher production records, proudly take home pay checks and look forward to returning once again to competitive employment.

Admission to the shop is by medical prescription and agency referrals. Besides the private physician the center provides vocational evaluation and training for such agencies as the State Vocational Rehabilitation Services, Contra Costa County Social

Service Department and Veterans' Administration.

The shop operates under a special license issued by the Federal and State Departments of Labor.

The "team approach" under which the entire center program operates, is probably used more in conjunction with the Sheltered Workshop clients than in any other department in the center.

ALL SERVICES, including those of speech and hearing, psychological and vocational counseling are available to the patient-employee to assist in his complete rehabilitation.

The center staff first evaluated Al and Mary's capacity for training and work, then taught them to work within those abilities while paying them wages for their production.

This helped them to adjust to working with others, thus preparing Al to return to his former job and Mary to embark upon a career.

The center is constantly seeking new and varied types of contracts in order to provide maximum training for those clients employed in the shop and in order to serve an even greater number of handicapped persons.

WHEN production commitments and contracts so warrant, the shop is divided into two sections. The rehabilitation and evaluation program operates from 8:30 a.m. to 3 p.m.

The evening shop operates from 3 p.m. to 9 p.m. and provides sheltered employment for those who have been through the rehabilitation process but are unable to secure outside employment because of the seriousness of their disability.

Present contracts include Jacuzzi Pump Company and Standard Oil Company of Richmond, Tidewater Oil Company of Avon, Oliver Tire and Rubber Company, Hawaiian Products, Inc., and Diagnostic Associates, Inc.

Elma Beavins

Services were held Wednesday at 11:30 a.m. in the Chapel of the Valley Mortuary, Lafayette, for Mrs. Elma Beavins, who died July 9 in an Oakland Hospital after a long illness.

Mrs. Beavins, who lived at 560 Silverado Drive, Lafayette, leaves her husband, John, and two children, Lynn and Frederick Beavins. Other survivors are her mother and father, Mr. and Mrs. Harry Mykranitz of Indiana; two sisters and two brothers, also of Indiana.

She was a member of Lafayette Christian Church and a veteran of World War II, during which she served her country as a Wave.

Reverend Darwin Mann of the Lafayette Christian Church officiated at the services. Interment was at Golden Gate National Cemetery, San Bruno.

A native of Missouri, Mrs. Beavins was 42.

Calcium in milk assists in preventing premature "old age," and milk helps to make a soft, beautiful skin.

Your Garden

Floribunda Roses Make Fine Flowering Hedge

Floribunda roses, as a flowering hedge plant, are the greatest. From May to December they are always in bloom.

When you plant a rose hedge, however, you should be on good terms with your neighbor. For the rose is not a shrub to shut out unfriendly faces. If such is your desire, plant privet, eugenia or the like. Your row of floribundas should be a shared pleasure with the gardener next door.

THERE IS great advantage in being able to choose your flowering hedge when it is actually in flower. And that is exactly what you can do by shopping for container-grown roses in nurseries this month. The California Association of Nurserymen reports that an especially good selection is to be found in nurseries this year.

When picking and choosing, you would do well to keep the growth habits in mind. Some floribundas such as Heat Wave and Texan are on the tall side. Others—Circus, Tom Tom, Ivory Fashion, to name but three, are of medium height. And a few—notably Sarabands among the more recent introductions, are quite compact.

DON'T OVERLOOK the grandifloras, such as Queen Elizabeth and Pink Parfait, either. They are larger in bloom and bush than the floribundas and also showy in hedges.

Chloe Anne Cox Runs for Queen

Added starter in the annual Walnut Festival queen contest is Chloe Anne Cox, 17, of 17 Santa Rita Court, Walnut Creek.

She is the daughter of Col. and Mrs. John F. Cox and will be a senior next fall at Las Lomas High School.

Entry of Miss Cox in the contest brings to 10 the number of aspirants to the throne of the Walnut Festival, according to Bill McLaughlin, contest chairman.
